TONIGHT'S DRESS: FORMAL

## Holland America Line Explorations

For almost 140 years, Holland America Line has been exploring the world, and now, in partnership with some of the leaders in their fields, we've created a groundbreaking new selection of activities:

**Explore Our World** - Our Travel Guide Brett presents a series of discussions about the places we visit and is happy to answer all of your questions.

**Explore Food & Entertaining** - In our state-of-the-art Culinary Arts Center presented by Food & Wine Magazine, our Party Planner Laurie hosts a series of shows: From throwing a memorable party, to picking the perfect bottle of wine.

**Explore Technology** - We've partnered with Microsoft Windows to launch the first entirely complimentary digital program at sea. At your own pace, you can get comfortable with the on-line world. From photo-editing to social networking; our Techspert Trevor shows you the way.

**Explore Well Being** - Our Lifestylist Jo's Mind, Body, Spirit program offers varying paths to personal growth. Beginning with complimentary Tai Chi for all ages each morning, through a host of fitness and wellness events. The complete list is inside each day. So go ahead... go explore!

STAY HEALTHY. TRAVEL WELL.

One of the best ways to protect yourself and others is to wash your hands before you eat. We've installed fast, easy to use automatic hand washers in the Lido Restaurant for your convenience. Your cooperation is most appreciated by your fellow guests.
