Panama Canal Fun Fact

Ships traveling between New York and San Francisco save 7,872 miles by using the Panama Canal instead of going around Cape Horn.

Did You Know?

At a cost in excess of \$1,000,000 per ship, we have equipped many of our ships to enable them to plug into shore power facilities while in port. As the availability of shore power facilities increases at other ports around the globe, we expect to outfit the remainder of our fleet.
