## HOLLAND AMERICA LINE

In the early part of the 17th century, Henry Hudson set sail from Holland in a tiny ship called *de Halve Maen*. His long voyage across the Atlantic heralded the beginning of Dutch exploration and settlements in the New World. During this century's great era of Trans-Atlantic elegance, Holland America Line's beloved *Nieuw Amsterdam II* (1938-1973) came to represent all the luxury, magnificence and splendor of that time. Our emblem shows this famous flagship alongside *de Halve Maen*. Together, these two ships symbolize the centuries old seafaring tradition of the Dutch and the long-standing friendship between Holland and America.
