Tonight's Dress: Smart Casual

Weather: 29°C / 84°F, Chance of Rain

Arrival: 8:30am Last Tender: 4:30pm

TENDERING PROCEDURES

Guests wishing to go ashore today will do so via the ship's tender boats. We will begin giving out tender tickets at approximately 8:30am from the Ocean Bar, 8. When you are completely ready to go ashore, please collect a tender ticket, after the clearance announcement. You may wait in any public area for your tender ticket color and number to be called. Once you hear your color and number you may proceed directly to the tender platform located on Deck 3.

VEENDAM ARRIVES IN HALF MOON CAY

Today we will be in port with Holland America Line's Koningsdam. Veendam's clocks will be one hour behind of Koningsdam's on the official island time. Please keep this in mind when on the island and be sure to stay on Veendam/local time.

UNEXPECTED WEATHER

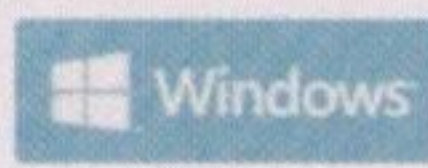

The area around Half Moon Cay is known to be effected by local weather conditions that may not have been forecast. In the event of weather deterioration the Captain will sound five short blasts from the ship which is an indication that all guests ashore are to return to the tender platform to re-join the vessel immediately.
