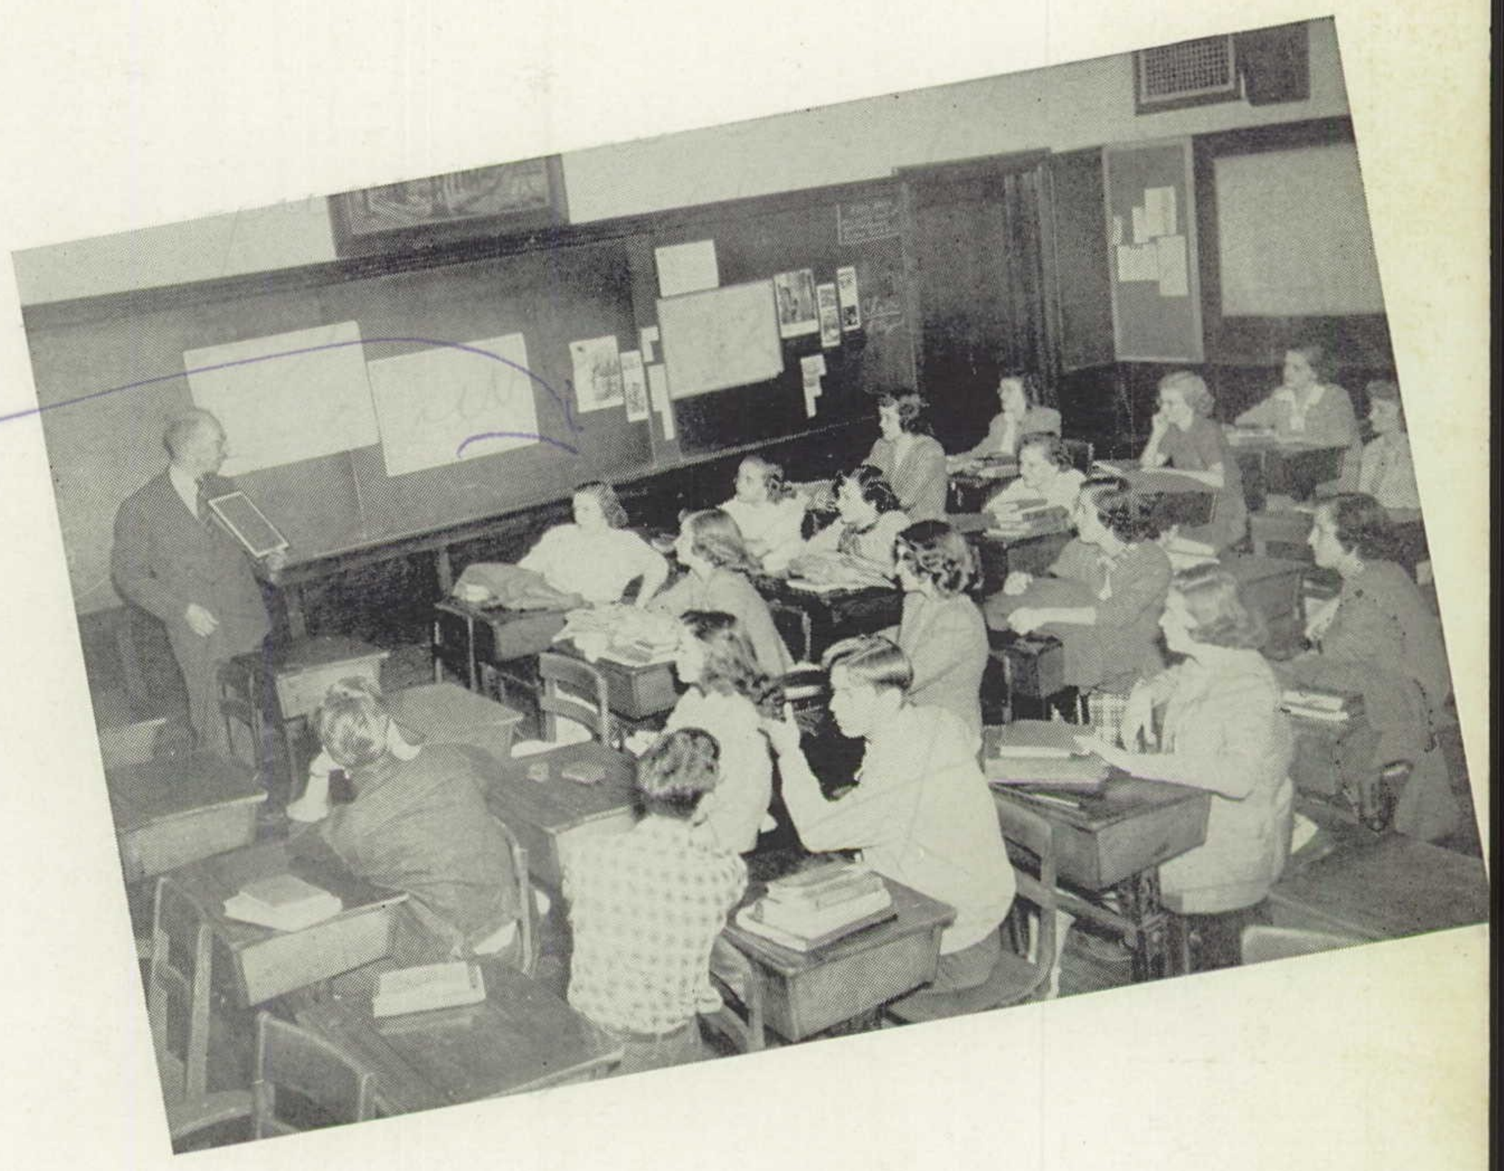
The 1950 Staff confers with Miss Hawk, a member of the class of 1901.

The Taleoken this year commemorates the fiftieth anniversary of Ken High. After we had been in school a few weeks, there came an announcement over the public address system stating that any senior wishing to become a member of the Taleoken Staff was to hand in his or her name to Miss Boucher. This was the first step forward in the publishing of the Taleoken.

The members of the staff then met in an attempt to choose an appropriate cover for the year book. After long arguments and much voting they arrived at the decision of a gold cover in accordance with the golden anniversary. Then there was the task of securing advertisements. Each member was given the names of three or four business establishments and it was his job to secure from each one a pledge to support the Taleoken. This was done successfully by the good salesmanship of the members.

Senior names were then handed out for write-ups. This caused much excitement and many questions to find out who was writing up whom. The typists were now kept very busy.

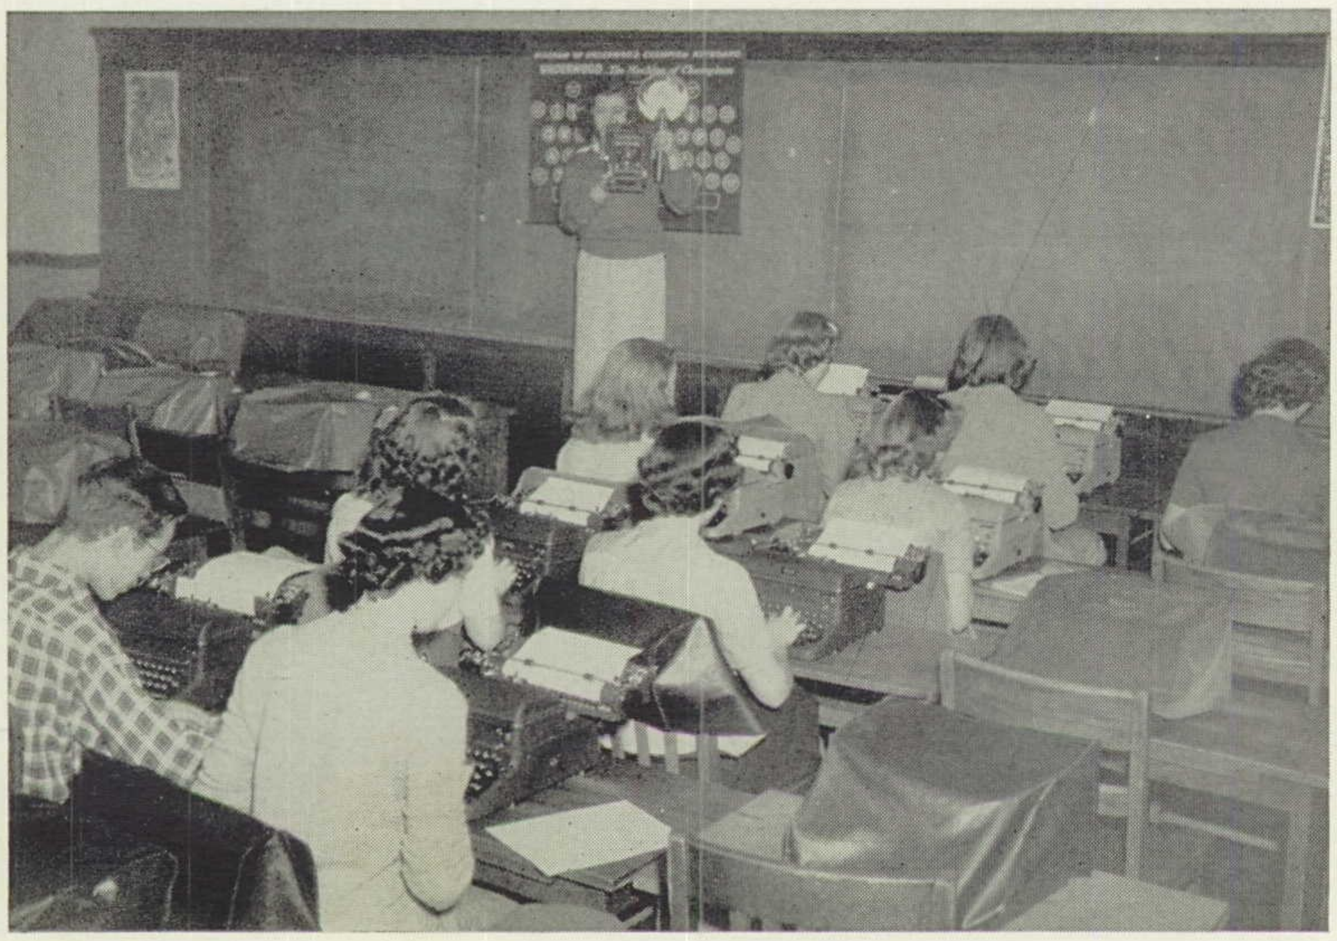
We had two
in the taleoken
shots. Have a
good time next
year because it
could be your last.
Dad.



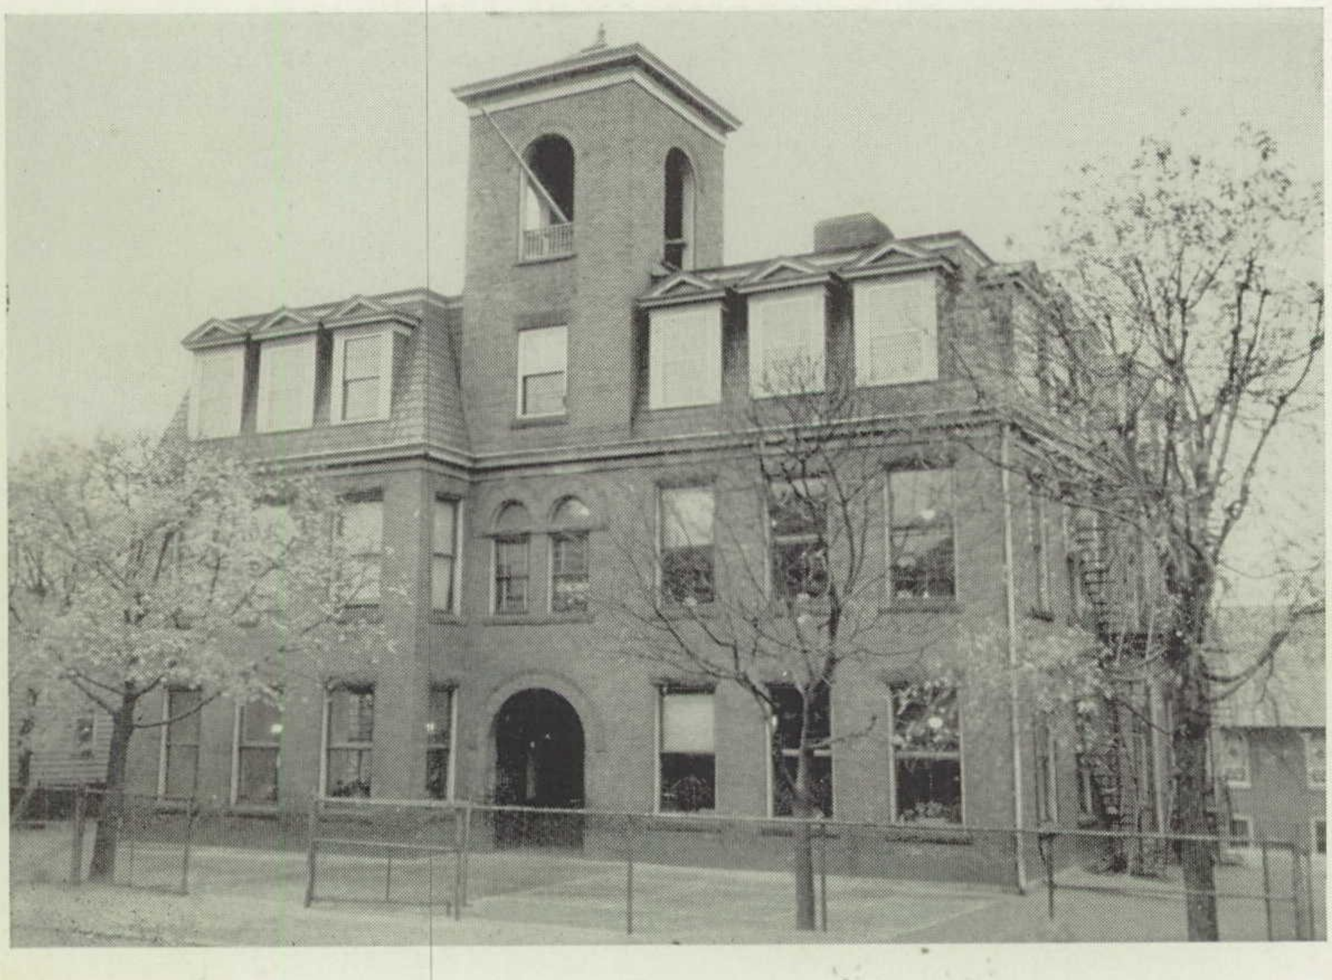
The Taleoken Cover is selected by the staff.

There was much planning on the setup of the book and the building of the theme and deciding what went best on each page. Names were to be put in alphabetical order and pictures identified and a little written about each informal picture. The activities, classes, and athletic sections were then to be written and every one worked as long and hard as possible to have them complete in information. We then anxiously awaited the return of the plates from the engraver so that we could write the informal captions. Having everything written and the pictures planned on the pages, the Taleoken was then sent to the printer. Upon the return, there were many long hours spent on proof reading.

Then, on the evening before the Taleoken is to be presented to the students of Ken Hi, a banquet is held for the members of the Taleoken Staff and as a fitting close for their diligent work they are given a preview of the printed Taleoken.



Our staff photographer catches the staff typists at work.



The Class of 1901 called the Walnut Street Building their High School.

Within sight of the present Ken Hi building, New Kensington High School came into existence in a small room in the Walnut Street building in September, 1899, when sixteen students reported for high school work. One of those students was Miss Irene Hawk, a recently retired Ken Hi teacher to whom we are indebted for many facts and interesting experiences of those early days. The first teacher was Mr. Harry Piper, succeeded very soon by Miss Mary Ashe, later Mrs. W. R. Alter, as principal. She was the instigating force in having the high school properly recognized by the State Department of Education so that, before the end of the year 1899-1900, the high school was properly accredited with a two year academic course. In May, 1901, the first class was graduated. In 1904, a three year course of study was adopted; consequently, a larger enrollment followed and more teachers were needed. In 1908, the four year course was approved.

There were six graduates in the first class but just one in the class of 1903, Hazel Schenck, now Mrs. Lamont Bixler. The largest Ken Hi enrollment was in 1932 when there were 1539 students in the four upper grades. In 1949-50, there are 1050 in the senior high proper—tenth, eleventh, and twelfth grades. As the numbers grew, larger quarters were necessary. From the Walnut Street building the high school was moved to the Flynn building on Ninth Street, and from there, in 1908, to the new high school building on Fourth Avenue. Soon this building became too small and plans were made for the erection, in 1913, of the present high school building on Ridge Avenue. A new wing was added to this building in 1924 and 1925.

The high school began with one instructor who served as teacher and principal. In the year 1949-1950 there are fifty-two regular teachers, the superintendent of schools, the high school principal, assistant principal, and dean of girls. This larger faculty is necessary because of the large number of students and because of the several courses of study and the many subjects offered. In the first years the subjects were academic, largely college preparatory. Today Ken Hi offers the following courses: academic, general, commercial, distributive education, and vocational.

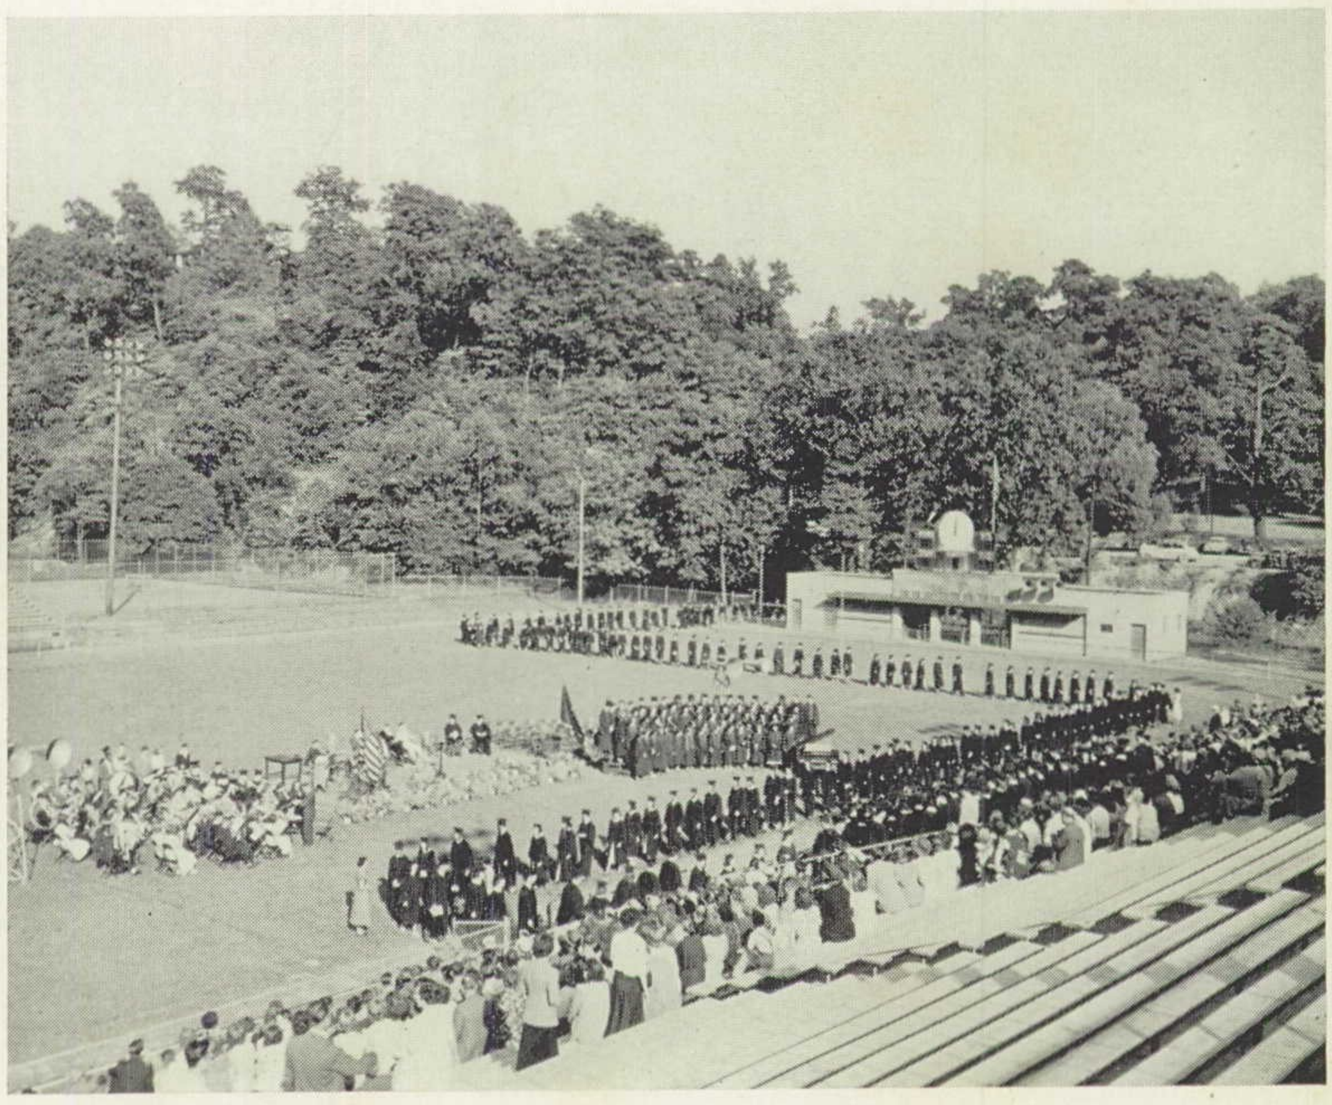
Many other changes and improvements have been evidenced through the years. Among these is consolidation with Parnassus. On May 20, 1930, citizens voted to consolidate into a single community. Teaching staffs were also consolidated and in September, 1931, the two high schools became one; the old Parnassus High building became a junior high building. Vocational training began in the Ridge Avenue building but, when more space was needed, that department was moved to the Second Ward building. Later the W. P. A. building on Stevenson Boulevard was

acquired for shop work. Again in the summer of 1948 another change was made—the junior high was moved from the Ridge Avenue building to the Fourth Avenue building and vocational classes were brought back to Ridge Avenue.

Extra-curricular activities have played an important part in the life of Ken Hi. The beginnings were back in the year 1899-1900 when Friday afternoons were given over to musical and literary programs. Now practically all extra-curricular activities, except athletics, are regulated by the Board of Activities. Classes, clubs, and musical organizations are numerous and diversified so that most students can belong to an organization which helps them to develop their special hobbies and talents. All of the activities of these groups are part of the Taleoken record.

New Kensington citizens have always been actively interested in the high school sports program and have supported it loyally. Football and basketball have been major sports with baseball, track and field, cross country, tennis, and golf classed as minor sports. The aim has been to make it possible for a larger number of boys to participate in sports. In 1945, Ken Hi was a contender for the W. P. I. A. L. football championship but the team was defeated by Donora. In 1946 Ken Hi gridders won the W. P. I. A. L. double AA championship by amassing the largest number of points. A memorable occasion for Ken Hi was that Thanksgiving Day in 1947 when the Ken Hi boys, coached by Mr. Fletcher, won the "AA" championship by defeating Har-Brack 28-0 at Forbes Field. Long before football came to the fore we had been making an enviable record in basketball. In 1930 and 1934 Ken Hi won the W. P. I. A. L. basketball championship. With Mr. Glock's coaching the boys participated in the playoffs at the stadium in 1931, 1932, 1933, 1937, 1940, 1944. Mr. Slosky's boys also participated in the 1949 playoffs but were defeated by Rankin in the first round. In 1939 Ken Hi's baseball team was entered in the W. P. I. A. L. section competition, winning one game and losing seven. In 1947 they won the first round of the non-sectional championship but were defeated in the second round. In 1948 Ken Hi, coached by Mr. Dunn, won eight games and lost three, thus winning the sectional W. P. I. A. L. championship but was defeated in the semi-final round of playoffs.

In 1941, Ken Hi racket boys, with Mr. Vorlage as coach, won the W. P. I. A. L. championship and in 1946 Elmer Stevens won the runner-up position in W. P. I. A. L. playoffs. He also participated in the Harvard cup matches but was eliminated in the second match. Not so impressive is our record in golf, track, and cross country. Nevertheless, the latter two sports, with Mr. Chegwidden as coach, are attracting more boys and their records are improving each season.



The Class of 1950 will appear in this formation on Commencement day.

One of the most interesting pictures to come to the attention of the Taleoken Staff is that above—ground breaking for the New Kensington High School building now in use. Pictured are the Board of School Directors in 1913 along with their children who would soon be Ken Hi students. These men foresaw a great future for the high school. Today's Board of School Directors (opposite) are also men of vision and foresight who are, even now, planning the beginning of the next fifty years.

So one of the smallest girls I know
Lots of luck and good marks in the future.
See you around this summer.

Board of Education

Seated: Mr. Herrington, Mr. Kronkoski, Mr. Blackburn, Dr. Vonderheid, Mr. Patterson, Mr. Keller, Mr. Little.

Standing: Mr. McKean, Miss Mazur, Dr. Chapman.

The Board of School Directors is comprised of a group of civic-minded men not too well known to the students of Ken Hi. These men, elected by the citizens of Ken Kensington, devote much of their time to the affairs of our school. They have worked vigorously ironing out the problems involving the interest and welfare of the student body. They also take interest in our athletic and social affairs. We are indeed indebted to these men. We, the fiftieth year graduating class, consider ourselves very fortunate and we wish to express our deep gratitude to the directors who made our last year one not to be forgotten.

The members of the board are Dr. C. G. Vonderheid, Jr., president; Mr. Ralph M. Little, Jr., vice-president; Mr. James C. Patterson, Jr., treasurer; Mr. Frank E. Kronkoski, Mr. E. H. Blackburn, Mr. Oren Herrington, and Mr. Charles W. Keller. Dr. E. T. Chapman is superintendent of schools; Miss Veronica Mazur is secretary, and Mr. Frank W. McKean is solicitor.

Superintendent

To a very nice girl.
I'll see you next year.
Karen Reed

To the Class of 1950 congratulations and best wishes. It is something special to be the 50th graduating class of the High School. If you have average health you should live through the next half century. Maybe you can have an "Alumni Night" in the year 2000. Much progress will be made in the years ahead. I hope your lives will be rich and full of accomplishment.

—E. T. Chapman

Principal of the High School

Have you ever watched a passenger train arriving at a station and wondered about the destination of the people alighting from the train as they wandered off in various directions? Have you ever watched a Ken High graduating class at commencement time when each member leaves the stage, diploma in hand — marching away to his parents, his friends, and his future? That is what you will be doing on May 25. The future belongs to you. May you have the health, happiness and good fortune you so richly deserve.

—H. B. Weaver

Assistant Principal

and Director of the Vocational School

To you, the graduates of 1950, it is my sincere hope that whenever you can, wherever you go, you will hold high the Ken Hi banner.

Let all those with whom you come in contact know that your ideal has been and always will be —sound scholarship coupled with a capacity for further learning and thoroughness as a basis for service and leadership.

Mr. Apel's chemistry lab class is absorbed in problems of its own.

Several of Trade School's pattern makers are snapped in moments of great industry.

Encouraged by M. L. and B. J. Corey, A. Grau, and D. Freialdenhofen, B. Shaffner records her voice for posterity.

S. Shearon, B. Kelley, A. Farina, and J. Baker gather for a closer inspection of the cash register.

"In Union There Is Strength" is demonstrated by these candidates and their managers on pre-election day.

A. Schaller and R. Miller demonstrate their ability on the shaper.

Jayne, Janet, Rene, and Muggy jump high to lead our cheers.

These boys seem to have an unwritten taboo against combining food and females.

A girl's gym class takes their exercise on the downstairs floor.

Ruthie Rapp demonstrates her piano playing ability for an admiring audience in jeans.

Ken Hi's smooth dance band worked hard to get that way.

These five girls appear a little worried about the test Miss Eiges is giving in the guidance office.

Ken Hi graduates, now numbering more than eight thousand over half a century, are lead by the pioneer class of six, pictured above, which was graduated in 1901. Each had taken the two year academic course and almost the same subjects. The fiftieth class, that of June 1950, numbers three hundred forty students graduating, after four years study, from five courses each including required and elective subjects. To the right is a 1949-50 class in geography, one of the subjects offered in recent years.

SENIOR OFFICERS

The past four years at Ken Hi will never be forgotten by the class of 1950. It seems like yesterday when a few of us arrived at Ken Hi in our freshman year. In 1948 we had new-comers from Parnassus and we found ourselves enthusiastically preparing for the Sophomore Hop. The following year students arrived from Stewart and we worked together selling candy and magazines in order to finance the Prom, an all year task.

At last our senior year came. We, the class of 1950, were honored being the fiftieth graduating class. Many things were in store for us. Anniversary committees were chosen, including some seniors, for such events as Alumni Night, the Alumni Dance, and the pageant in the spring. But reminiscing about our senior year, we can remember that the first week of school we received our first order of senior rings. Next, we had class elections. After the campaign speeches were over and the votes counted, the finals brought in Joseph Giordano, president; Richard Wolfe, vice president; John Kraft, secretary; and Glenn Timmins, treasurer. Our sponsors, Miss Patterson, Miss Taylor, and Mrs. Klinke, guided us skillfully through a maze of senior pictures, commencement announcements, name cards and Taleokens. The special senior assemblies and exams gave many of us relief from classes. Plans were being made for Class Day and the Senior Private. During the months of February and March practices were held every night in room 105 for the senior class play. This year the senior class presented "Ladies of the Jury" under the direction of Mrs. Klinke. The last day for seniors had arrived and Taleoken Day, the long-awaited day. The memories of four years at Ken Hi will never be forgotten as we leave our best years behind us.

As every year, the Junior class has many activities to which the students devote much of their time and energy. The biggest project of the year is making money for the prom.

In recent years the most profitable way of making money proved to be the selling of candy and magazines. This year 160 students participated in these sales which lasted from September until the Christmas vacation. The sale of magazines exceeded those of last year by quite a margin although the candy sales didn't amount to so much. Much credit for these sales must be given to Mrs. Wackenhut and Mrs. Harter. Mr. Burnett is the juniors' financier.

As the end of November approached we saw Mr. Menk in his annual state of hair pulling as the date for the Junior dance drew near. In previous years this dance had been called the Harvest Ball but due to the late date of the dance this year, it was called the "Snowball," and with the additional attraction of crowning a king, Bob Shepard, and queen, Ellen Lee Toohey, it proved to be a successful venture. And here we leave the activities of the Junior Class of 1949-1950 while visions of prom bids dance in our heads.

Our Sophomore Class has come a long way and accomplished much since last fall when we entered Ken Hi. As we walked through the building with the other students we felt strange and out of place. The noisy, crowded halls were new to us and it took some time to become accustomed to them. With the help of the teachers and upperclassmen we soon felt that we belonged and in no time at all we were participating in the many school activities.

Our first major event was the election of class officers and members to the Board of Activities. The enthusiastic campaign speeches helped us to overcome the timidity we had felt at the beginning of the year. Although other dances were held at Ken Hi, to us the Sophomore Hop was the most important. In order to raise funds for our dance we sold homemade candy. The boys, as well as the girls, contributed candy and the sales were a huge success. Committees were busy planning the dance and we called it Cupids Whirl. To the Sophomores it was the perfect dance and we hope every one enjoyed it as we did.

So ends our Sophomore year at Ken Hi but we know that we shall never forget it. We know our school better and are looking forward to our junior and senior years.

Charlie is busily working to keep the school in tip-top shape.

It must be an English class.

R. Engler and D. Ross are concentrating on their shop work.

Mr. Slosky instructs his driving class in rules and theory.

M. Holeva is checking senior picture records for L. Miller, J. Milsom.

D. Moffett gives a special report in Miss Russell's journalism class.

Ken Hi students through all the years of the school's history have been actively interested in literary societies, pageants, plays, concerts, dances, clubs, and athletics, more recently designated as extra-curricular activities. Above is a reproduction from about the year 1914-1915 of some Indian maidens depicting a scene from the play, "The Courtship of Miles Standish." On the opposite page is pictured a Tri-Hi-Y initiation scene which has become almost traditional at Ken Hi.

Dear Deb,
Well, here we are at the end of another year. This year the best so far. I think. I got to know you better this year and you know you're still one of my best friends. Don't forget to take care of yourself and hope that I'll see you next year. Keep in touch. See you again in the summer. Love, Marcia

Lots of luck to a swell chemistry partner. See you next year. Have fun this summer.

Our school paper is published every two weeks during the school term by the students in the journalism class. The student journalists are under the supervision of Miss Russell who is in charge of the paper and sees to it that the reporters keep up to date with editorials, jokes, features, and happenings in the field of sports and news. The journalists are divided into different sections with editors for each section who are in charge of certain pages of the paper. The editors' responsibility is to see that the work is done completely, accurately, and on time. The work is then checked and typed before it is sent to the printer. Two sections of the paper are reserved for the junior high schools which have their own reporters who cover the news. The editor-in-chief of the Kentonian is Howard Wiley.

HANDBOOK STAFF

Every spring, the Handbook Staff, under the supervision of Miss Owen, goes to work on the book to be used the following year. This book is composed of information concerning the procedure used when a student is absent or tardy and wishes to obtain a readmission slip, and a host of other important things to do. This handy little book, given to all students during admission time each year, also contains the school calendar, the social calendar, scores from previous year's sports activities, school cheers and songs, and a reading list which tells which books may be read for book reports. This year's staff, with Margaret Ann McCabe as editor-in-chief, started work last spring and published, with the school board as financiers, the very attractive little "golden anniversary" handbook.

BOARD OF ACTIVITIES

All of our students have enjoyed the assemblies and speakers brought to us by the Board of Activities. The Board, under the very capable direction of Mr. Miller, assistant high school principal, is responsible for the Friendship dance which is held at the beginning of every school year to help students become better acquainted. Another activity sponsored by this organization is a Career Conference Night, which enables students of various neighboring schools, as well as Ken Hi students, to meet representatives of some fifty colleges and also representatives from business and industry. The Board also entertained at a banquet which brought the sponsors and representatives of the clubs and organizations of Ken Hi together. Special guests at this dinner were the members of the retiring and incoming School Board. An excellent opportunity for student participation in school government is also made possible by the Board. The concession stand at football and basketball games is also under the supervision of the Board.

NATIONAL HONOR SOCIETY

President ..... Robert Hall

Vice-President ..... Emerson Heilman

Secretary ..... June Randolph

Election to the National Honor Society is the greatest scholastic honor presented to students of Ken Hi. The members are chosen on the basis of their presenting: Scholarship, Character, Leadership, and Service during their years at Ken Hi. The group is selected by senior section room teachers and Mr. Weaver, Miss Boucher, and Miss Eiges, from names turned into the council by faculty members. The group is made up of about fifteen per cent of the top ranking students of the senior class. A few are elected at the end of the junior year to carry the organization into the following school year. Mr. Kordes is the organization's sponsor and Miss Walker is treasurer. Emerson Heilman, president, Margaret McCabe, vice-president, and Helen Keczmer, secretary, served as officers during the first semester.

COLLEGE CLUB

The College Club, capably supervised by Miss Eiges and Mr. Keiser, endeavors to help its members choose the schools they will attend and the courses which they wish to take. On several days during the school year the senior members gather in 401 where they take various scholastic, aptitude, and high school achievement tests. These tests serve the dual purpose of familiarizing the pupil with long, grueling college examinations and aid the Guidance Office in choosing those students who qualify to participate in the competitive National Honor Society and Pennsylvania State Scholarship tests. Each year a Career Conference Night is held in conjunction with the Board of Activities and the guidance department which many representatives from college and business establishments attend in order to talk with the students and their parents. These annual conferences not only help the college bound student in choosing his college but also help those who have immediate plans for entering the business world.

GERMAN CLUB

President ..... Dorothy Gerlach
Vice-President ..... Richard Wilson
Secretary ..... Dolores Freialdenhofen
Treasurer ..... Richard Moore

The German Club, a new organization, is under the capable sponsorship of Mr. Ringhoffer. Every student taking German is welcomed into the club and, after completing two years of German, the student retains his membership during his senior year even though he is no longer taking German. The purpose of the club is to provide social functions at which the students can use their knowledge of German on a conversational level—with plenty of fun, of course, to justify the official name of the club—Die Gemuetlichen, which means "The Jolly Ones." In good time the club hopes to build up an album of recorded group singing, Gespraech (conversation), and Geschwaetz (gossip) for which we get together. There is an annual picnic planned before the close of school in May.

Dear Debbie,
Its been a wonderful year for us in many ways Lets hope next year is just as good.
Love,
Donna

SENIOR TRI-HI-Y

President ..... Linette Benedict
Vice-President ..... Evangeline Phillips
Secretary ..... Dolores Germinara
Treasurer ..... Betty Jane Corey

The Tri-Hi-Y is one of the oldest organizations of the school. Its membership is open to any girl in the senior class who can fulfill the club requirements and subscribe to its purpose. The informal initiation is held in the fall. The Tri-Hi-Y has been quite active this year. The Sock Dance was one of the most successful events of the fall season. Selling name cards proved to be a profitable venture for the girls. The Shamrock Ball is to be an important event in March. The Mother-Daughter banquet is a social event to which every Tri-Hi-Y girl looks forward. Mrs. Potter is the new sponsor of the club. At the request of the Lions Club, the March of Dimes tag day brought the Tri-Hi-Y girls very prominently on the streets with their coin boxes.

JUNIOR TRI-HI-Y

President ..... Norma Pavan
Vice-President ..... Sarah Haddad
Secretary ..... Bernadine Voyten
Treasurer ..... Patricia Benedict

The Junior Tri-Hi-Y, under the guidance of Miss Boucher, is one of the largest organizations in Ken Hi. This year the informal initiation was changed from the ordeal in school to a scavenger hunt in the evening followed by various stunts done by the initiates. The impressive candle light service in the Ken Hi gym is the most inspiring formal initiation of any organization in school. A candy-cookie day sale and a dance are projects the juniors have planned for spring. The girls hope these events will be financially profitable so that senior girls can be sent to the summer conference which was held last year at Slippery Rock College. Girls from southwestern Pennsylvania attended and they received training and inspiration to carry out finer activities in the Senior Tri-Hi-Y.

KEY CLUB

Treasurer ..... Robert Shepard

Ken Hi's fiftieth year marks the first full year of operation for the school's newest club, the Key Club. Although not an actual part of Kiwanis, it is an international club sponsored by the Kiwanians. The local chapter was chartered late in the 1948-49 school year by the New Kensington Kiwanis Club working with Mr. Vorlage who is the adviser. This club was organized as a service club to the school and community and has been operating as such. Before Christmas the members aided a community project by gathering toys for the needy children. At a dance, sponsored by the Key Club, the first basketball queen of Ken Hi was crowned. "We Build," the motto of the club, is exactly what the members are doing. First semester officers were George Welsh, president; Robert Hall, secretary; and Thomas Berlinski, treasurer.

HI-Y

President ..... Glenn Timmins
Vice-President ..... George Welsh
Secretary ..... William Pelisari
Treasurer ..... Paul Bazzano

The Hi-Y, sponsored by Mr. Apel, has sought to keep up with its purpose of "creating, maintaining, and extending the high standards of Christian character throughout the school and the community." These organized youth are supported by the local Y. M. C. A. and they have their initiations in September and again in April. This is a riotous event greeted by cheers and urging on's by the on-lookers. The members of the club decorated the Christmas tree, which stands on the landing of the main stairs, again this year, adding the usual just right touch of holiday atmosphere. This organization holds forth to the young men of the school they deem eligible for the club the opportunity of greater fellowship with those of their own age, creating possible life-long friendships.

RED CROSS

President ..... Gloria Pavan
Vice-President ..... Robert Beveridge
Secretary ..... Louise Giordano
Treasurer ..... Harry Spak

The Red Cross Club is under the supervision of Miss Mathison. The purpose of the club is to give those students who are eager to be of service to others an ample opportunity to engage in charitable work. All sophomores, juniors, and seniors are eligible for membership in the Senior Club, but only a limited number are voted into the organization. Elections are held at the beginning of the year and one boy and girl are chosen to represent each section room. Their activities consist of bimonthly meetings, an annual radio program and such worthy projects as knitting afghans for refugees, filling Christmas boxes, and providing dolls at Christmas for under-privileged children. Sometimes the members receive "thank you" notes from children who are receivers of the gifts. These small tokens of appreciation encourage all those who contribute.

F. H. A. CLUB

President ..... Dora Bartolacci
Vice-President ..... Pat Rossi
Secretary ..... Marilyn Campbell
Treasurer ..... Sally Miller

This is the fourth year for the Home Economics Club to be affiliated with the State and National Future Homemakers of America. This organization is sponsored by Miss Olmer and Mrs. Potter and it is open to any junior or senior girl enrolled in cooking or sewing classes. This club serves as an opportunity to help develop one's knowledge in the field of homemaking. The motto, "Toward New Horizons," expresses the purpose of this organization — "learning to live better today in order that our lives and those of our families may be better tomorrow." Among the social activities of the club are an annual spring fashion show and a picnic in the spring. Each year a delegate is chosen to attend the all-county and state conventions in April.

ATTENDANCE STAFF

BANK STAFF

First Row: J. Fiscus, L. Coulson, H. Keczmer, S. Noble, J. Heflin, J. Hepler, M. L. Bickert.

Second Row: Mr. Vorlage, M. A. Konazeski, P. Beatty, A. Fennell, N. L. Bailing, E. Sokulski.

ATTENDANCE STAFF

The Attendance Staff is an honorary group but it is not a social organization. This year's staff is composed of junior and senior girls who are willing to devote a period each day to helping in the dean's office. Their duties include making up each day from the section room lists an absentee sheet, then checking attendance each period, and looking up telephone numbers. They must also keep track of those who have been excused, consult the files to check schedule cards to see if John Jones has study hall or gym the third period. This year the Attendance Staff is made up of the following girls: Rose Marie Barham, Frances Davidson, Beverly Mikesell, Lois Yeager, Virginia Sroka, Georgina Harchuck. Every year a member of the Attendance Staff is invited to attend the Board of Activities banquet with Miss Boucher. This year Lois Yeager represented the Attendance Staff on this occasion.

BANK STAFF

The Student Bank was ogranized for the purpose of handling the business transactions of the school. Organizations, classes, section rooms, students, and teachers are benefited by it. Commercial students, through the recommendation of their teachers, are chosen in their junior year by Mr. Vorlage to work in the bank. The Bank Staff sells candy to secure funds for new machines for the business machine class. Supplies are also sold for the use of students. The staff consists of three tellers, Jenice Heflin, Jean Fiscus, and Lois Coulson; a checkwriter, Suzanne Noble; a bookkeeper, Mary Louise Bickert; a ledger clerk, Phyllis Beatty; two auditors, Mary Ann Konazeski and Nora Lee Bailing; school activities, Joy Hepler; general yearbook, Alyce Fennell; and a messenger, Ed Sokulsky. Mr. Vorlage teaches his staff to be exact and assists them in being efficient in handling the financial matters of our school.

MONITORS

President ..... Vernon Bradley
Vice-President ..... Lee Hobaugh
Secretary ..... Robert Crum
Treasurer ..... Ralph De Simone

The Monitors are the boys you see at every busy corner in the halls. They keep everyone orderly while changing classes and assist at fire drills. Also the Monitors marshall teachers and students to assemblies. Miss Rosemarie Pascaretta has proved herself a very capable sponsor, having made many improvements in the club during her initial year as the faculty sponsor. The club is composed of twelve junior and senior boys who are elected every spring by the members of the organization. Although the services of the Monitors are the dominant reasons for the club, they also hold a dance every year which is known as the "Srotinom Llab." The proceeds from this dance are used to buy a pin for each member of the staff.

LIBRARY STAFF

C. Conomos, M. L. Bergfeld, E. Taylor, J. Dahm, G. Dunehue, Miss Ewing.

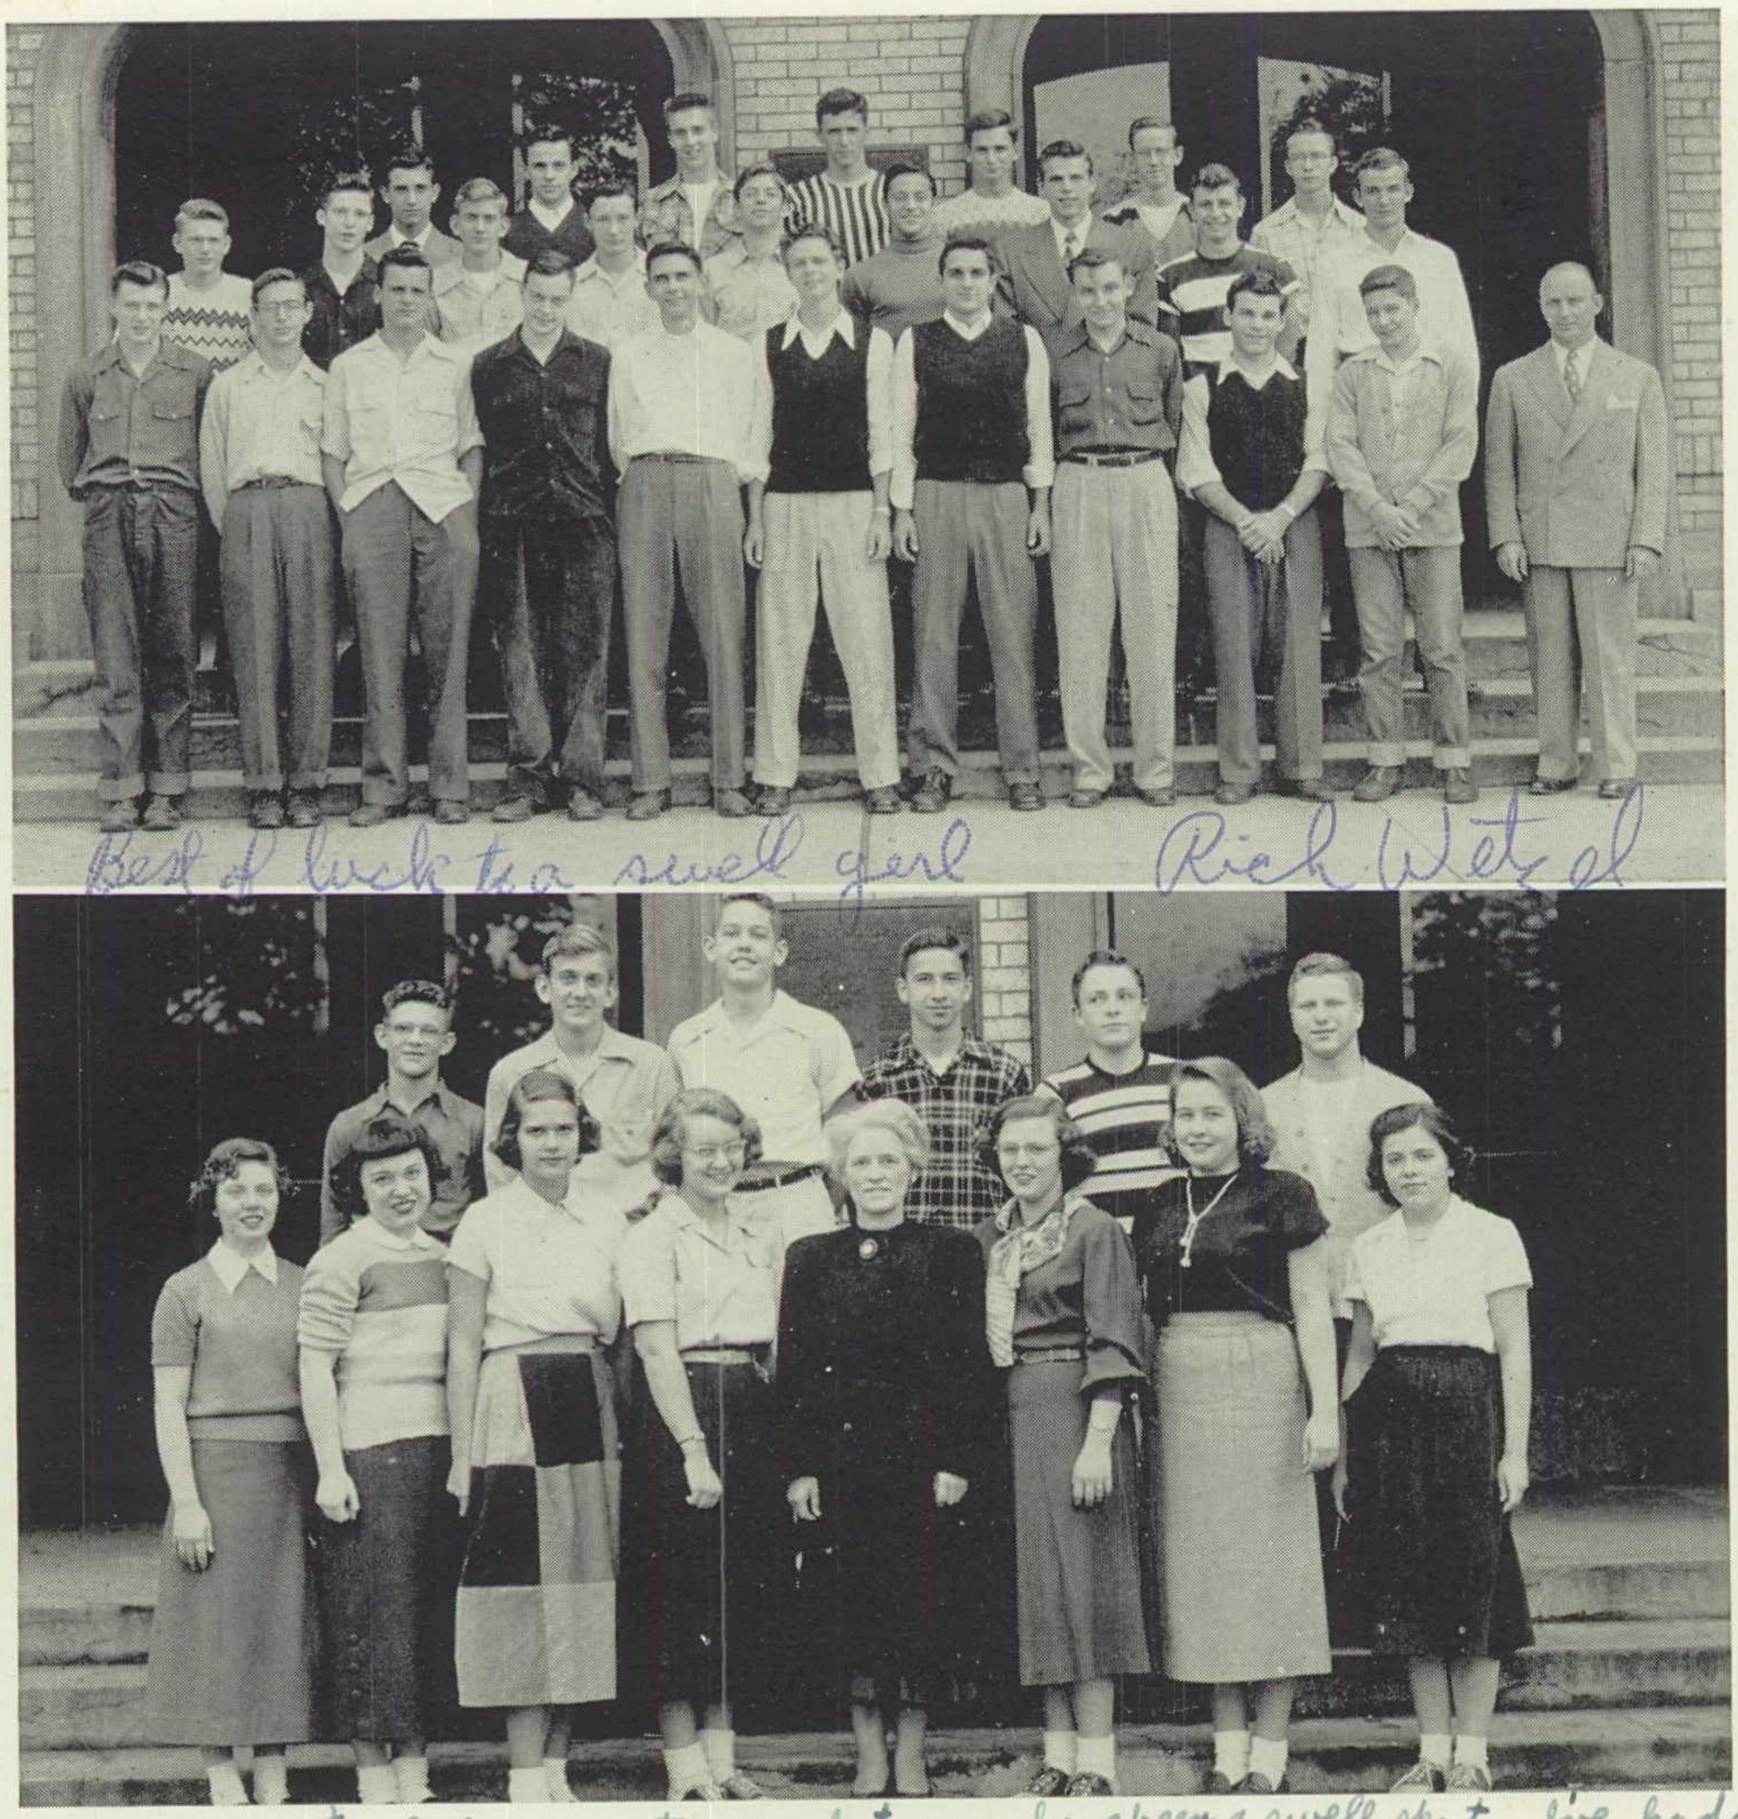
MONITORS

First Row: D. Lecocq, L. Hobaugh, B. Shepard, S. Kaufman, B. Cooper, S. Bowser.

Second Row: V. Bradley, T. Browne, R. DeSimone, B. Crum, R. Armstrong, P. Lojpersberger.

LIBRARY STAFF

Miss Ewing, our librarian, and her staff of four student assistants are ever alert to respond to our requests for help. The library on the third floor contains about 5,000 books, including reference works, supplementary texts, and recreational reading. The library is open to all students six periods a day, providing they have a permit. After school and in the morning one does not need a permit. Students may receive the permits from their subject teachers. A fine of two cents per day is charged for each two-week book kept after the date on which it is due and five cents for each overnight book. The books are arranged so it will be easy for the students to find the books they are looking for. We like to go to the library not only for the usual library purposes but to see what new plant Miss Ewing has added to her window garden.



Best of luck to a swell girl Rich Wetzel

I've been pretty plain mean to you, but you have been a swell sport. I've had lots of fun. Lots of luck and Best Wishes. See you next year. Bob Sutter

ASSEMBLY STAFF

President	William Pelisari
Vice-President	Emerson Heilman
Secretary	Walter Netoskie
Treasurer	Sam Kaufman

Through the diligent planning of Mr. Jefferson, this organization brings forty-five minutes of relaxation and motivated learning to weary class students by means of the projection of the latest educational movies. The boys are taught how to operate both sound and silent projectors and also to operate the public address system for school assemblies. The training which the boys get in using all of the latest audio and visual educational aids enables them to learn much about movie projection and sound systems which may be useful in the future. The equipment at Ken Hi includes sound and silent projectors, slide projectors of various sizes, the public address system, and wire recorders. The staff also takes care of stage properties and floodlights. The staff, which has a membership of twenty-five to thirty boys, is another of Ken Hi's service organizations.

JUNIOR TOWN MEETING

President	George Zilliac
Vice-President	Richard Egli
Secretary	Bernice Ireland

The Junior Town Meeting, sponsored by Miss Armstrong of the Fourth Avenue Junior High, has sophomore and junior members this year. One of its main purposes is to further the interest of its members in current problems. The club had a very active year. In addition to several radio programs, groups of students presented several panel discussions on such subjects as, "How to Procure and Keep Better Teachers," "Farm Subsidies," "Admission of Hawaii and Alaska to Statehood." These discussions were presented before several outside groups including the Kiwanis Club, Young Adults of the Parnassus Presbyterian Church, Mt. Vernon Parent-Teachers Association, and the Young Judeans. The highlight of the year was an invitation for a panel discussion at the Board of Activities banquet on the question, "Is the United States Drifting Toward Socialism."

The Commercial Club is composed of senior and junior students who take the commercial course. At the end of their junior year they are chosen by the commercial faculty to become members of the club. The sponsor of the club is Mr. Keiser. There are two meetings held monthly—one business, and the other social. At these business meetings representatives from the business world are brought before the group to acquaint the students with actual business conditions and new methods of doing things in the business world. Some of the activities that the club participates in are a tea dance and pretzel day. A dinner for members only is held for the members to get acquainted. Candy is sold to buy machines for the use in the office machine practice class. They purchased one machine, the Monroe Electric Calculator.

D. E. CLUB

President ..... Anthony Farina
Vice-President ..... Mary Lou Kowalczyk
Secretary ..... Henrietta Matviko
Treasurer ..... Janice Baker

The D. E. Club, which is open only to members of the Distributive Education Course, is sponsored by Mr. Pfeiffer. The purposes of the club are to promote the social welfare of the members and better salesmanship. As a whole, they constructively criticize other sales personnel in whose particular line they are interested. They have set as their goal improvement in speech and personal appearance; and as sales persons, a better knowledge of their stock in merchandise. Once a month they have a business meeting and at least one social get-together. In April they make their annual excursion to Pittsburgh observing "behind the scenes operation" of a large, downtown store. The second semester in the main hall, they set up a display case, showing their ability in window display.

At the beginning of the year try-outs are held and those who show dramatic ability are elected to membership in the Dramatic Club. In November the club presented Hildegard Dolson's, "We Shook the Family Tree" at the Main Street auditorium. It was hailed a great success by the audience. As part of their annual treat, the club traveled to the Nixon in Pittsburgh to see "As You Like It," starring Kathryn Hepburn. The remaining part of the year the members were kept busy working on radio programs, assemblies, original skits for initiation, and small plays presented monthly at their evening meetings. Their coveted pin is earned by these presentations and can be worn only by those who earn it. Their last social gathering of the year is a picnic. The Dramatic Club is under the capable sponsorship of Mrs. Alice Klinke.

GEOGRAPHY CLUB

President ..... Gloria Posati
Vice-President ..... Harold Perry
Secretary ..... Lawrence Duddy
Treasurer ..... Regina Siuta

The Geography Club, organized by its sponsor, Miss Mary Viola Phillips in 1947, was established for senior geography class students who have an active interest in geography. Membership cards are issued to members signifying that they are junior members of the Geography Club of Western Pennsylvania and the National Council of Geography Teachers. With Regina Siuta as the club's popular program chairman they have succeeded in accomplishing many worth-while activities. One very important and worthy project undertaken was having each of the five classes sponsor a Care package for needy families in Europe. In addition to learning the geographical status of other countries from text books they had pen pals with whom they communicated, thus learning more intimately about other lands and people. The Ken Hi Geography Club is a purely cultural organization.

CAMERA CLUB

President ..... Jean Dahm
Vice-President ..... Regina Siuta
Secretary ..... Ann Clark
Treasurer ..... Patricia McSweeney

The Camera Club has come a long way since it was first organized two years ago. Under the sponsorship of Miss Janet Mathison it has become a very active club. The purpose of this club is to give those students who know little about photography a chance to learn. Among the events of the Camera Club was the "Shutter Flutter Hop." At this time, Janet Link and Dick Venetta were chosen king and queen. A very active member of the club is Lee Guida. She takes many pictures for the yearbook besides action shots around the school. The members also made miniature graduation pictures for the students of the senior class. In the spring the members plan two trips. One trip is usually to Pittsburgh taking pictures of the different interesting sights.

GIRLS LEADERS CLUB

President ..... Mary Ann Konazeski
Vice-President ..... Dora Bartolacci
Secretary ..... Susanne Noble

The junior and senior girls who make up the Girls' Leaders Club show marked ability in physical education and an average of C or better in all other subjects. The duty of the girls is to assist instructors of the Department of Physical Education. These girls who referee games in gym classes, check gym equipment, check locker rooms, etc., must show definite traits of leadership. Included in such are dependability, iniative, willingness, and good sportsmanship. By this means, the club helps to form and promote general leadership and good sportsmanship. Tournaments and dances are a few of the social affairs which add to the attraction of the club. Miss Rosemarie Pascaretta has the fervent enthusiasm to hold the club to its highest purposes.

GIRLS CHORUS

President ..... Sally Miller
Secretary ..... Janet Hiles
Librarians ..... Margaret Mangone
Beverly Pope

The Girls' Chorus is under the sponsorship of Mrs. Betty Jo Wareham. This group of sophomore, junior, and senior girls was organized last year to give a larger number of girls an opportunity for further training in chorus work. The girls meet every Wednesday evening after school, so we know they are really interested in music. Last year's group numbered about twenty-five but now the membership has increased to sixty-five. At the Christmas assembly held in the gym the group presented several excellent groups of carols as part of the Christmas pageant. They will participate in the Spring Festival along with the Band, Senior Choir, and Orchestra. This group also functions efficiently under the student government system. Each girl feels a definite responsibility for the success of the organization.

THE CHOIR

The Choir is one of the largest and most active organizations in the school. Under the direction of Mrs. Betty Jo Wareham, the Choir rehearses every morning in room 208. It is composed of 110 carefully selected voices. During the Yuletide Season, its activities include an assembly, a radio program, Christmas carolling, and singing at the bank. In the spring the Choir sings for nearly every important school function. Top on the list is the spring concert which is a joint concert with the Band. They also have a part in the anniversary pageant at the stadium. Besides this, the Choir sang for Alumni Night, several school assemblies, and radio programs. This organization made a trip to Vandergrift in an exchange assembly. The Choir is under the new self-governing system, the purpose of which is to promote voluntary co-operation and responsibility.

BAND

President ..... George Hill
Secretary ..... William Bonatti
Librarian ..... Roy Marks

Our Band really has something to boast about this year. They have had the privilege of being the first high school band in this valley to appear on television. The Band is one of the most active organizations in the school. The Band began their training at the New Kensington Booster's Camp at Salisbury, Pennsylvania. At camp, they practiced drills which they used during both the home and away football games. In the fall they performed for the Pittsburgh Steeler-Detroit game at Forbes Field. The Ken Hi Band also helped make the Band Festival, sponsored by the Dispatch, successful. Other bands which participated are Springdale, Har-Brack, Arnold, Tarentum, Plum Township, East Deer and many others. On March 2, the Band played in the Allegheny Band Festival in which five district bands appeared. They are Springdale, Har-Brack, Arnold, and Tarentum. Later the Band with the Choir and Orchestra performed at our own Festival at the High School. To wind up activities of this year, they played for Class Day, Commencement, and last of all, they marched in the Memorial Day parade.

MAJORETTES

The Ken Hi Majorettes are fast becoming one of the most active girl organizations in Ken Hi. They have performed this year as sensationally as they have the other three years since the corps has been in existence. Last summer the Majorettes, along with the band, spent an enjoyable week of rigid practice and much fun at the Booster's Camp at Salisbury, Pennsylvania. At camp under the strict training of Mr. Oliver and Billie DeLuca, a former head drum major at Ken Hi, the Majorettes were well prepared to give the fans another season of spectacular performances during football and basketball games. The Majorettes have beautiful one piece red corduroy uniforms with a trimming of white braid. After many bake sales and contributing of their own money, the Majorettes were able to get these uniforms made in time for the first football game. Seniors leaving the corps are Helen Farneth, head Majorette, Virginia Stepek, Margaret Basta, Myrna Thomas, Janet Link, Stella Barron, Doris Graham, Betty Jane Corey, Mary Lou Corey, Mary Ann Starr, Donna Gallian, and Geraldine Oravec.

SCRIPT AND SCORE

President ..... Norma Jacoby
Vice-President ..... Patricia McSweeney
Secretary ..... Kathleen Conway
Treasurer ..... Marilyn Campbell

Five years ago a new organization, called the Script and Score, was added to the many organizations of Ken Hi. The primary purpose of the club is to present a musical production which would give the students with musical and dramatic ability an opportunity to display their talents. At the beginning of the fall term Mrs. Wareham, the new sponsor, along with the officers of the club, chose the students who seemed to have the best ability. Then in the early spring the members of the club presented the operetta **Tune In** which was heralded a great success, largely due to Mrs. Wareham's excellent directing. The names of Betty Johnson and Bob Bloom were featured in the leading roles. Each year the members journey to Pittsburgh to see a musical production. Last year the club saw **Rigoletta** by Verdi.

DANCE BAND

The Ken Hi Dance Band, originally called the Kennsylvanians, is an active organization under the direction of Mr. John Stephens, new musical director at Fourth Avenue Junior High. The student leader is Vernon Bradley. This group is comprised of fifteen boys. Miss Lucille Wright who is director of music in the elementary schools, plays the piano and gives much of her free time to this group. These musicians give us a fine array of talent at both student assemblies and dances. Occasionally they play for outside organizations. During the past year the band has received many a compliment for the splendid work done at the dances. They have decidedly come a long way since last year, but they will become a bigger and better band in the years to come. To the seniors leaving we wish great success.

The faculty eats too—Mr. Keiser, Mr. Kordes, Mr. Black, Mr. Batiste and Mr. Glock seem to enjoy their lunch.

Dancing is ever popular with Ken Hi students.

Mr. Colao struggles to make the seniors smile for their senior pictures.

N. Noble sings over the P. A. system at the Sock dance while R. Omecinski holds the microphone.

I. Greenberg, N. Moses, S. Gillis and D. Germinara must be amused at E. Michael's antics.

Athletics then and now at Ken Hi has been a fascinating subject for those reviewing and doing research work on fifty years of history. While the athletic record does not include the whole half century it does include some forty years as evidenced by the reproduction on this page of the picture of the 1910 football team. On the right hand page is the 1949 team, coached by Mr. Fletcher, with its record of four games won, two tied, and two lost.

Dear Deb,

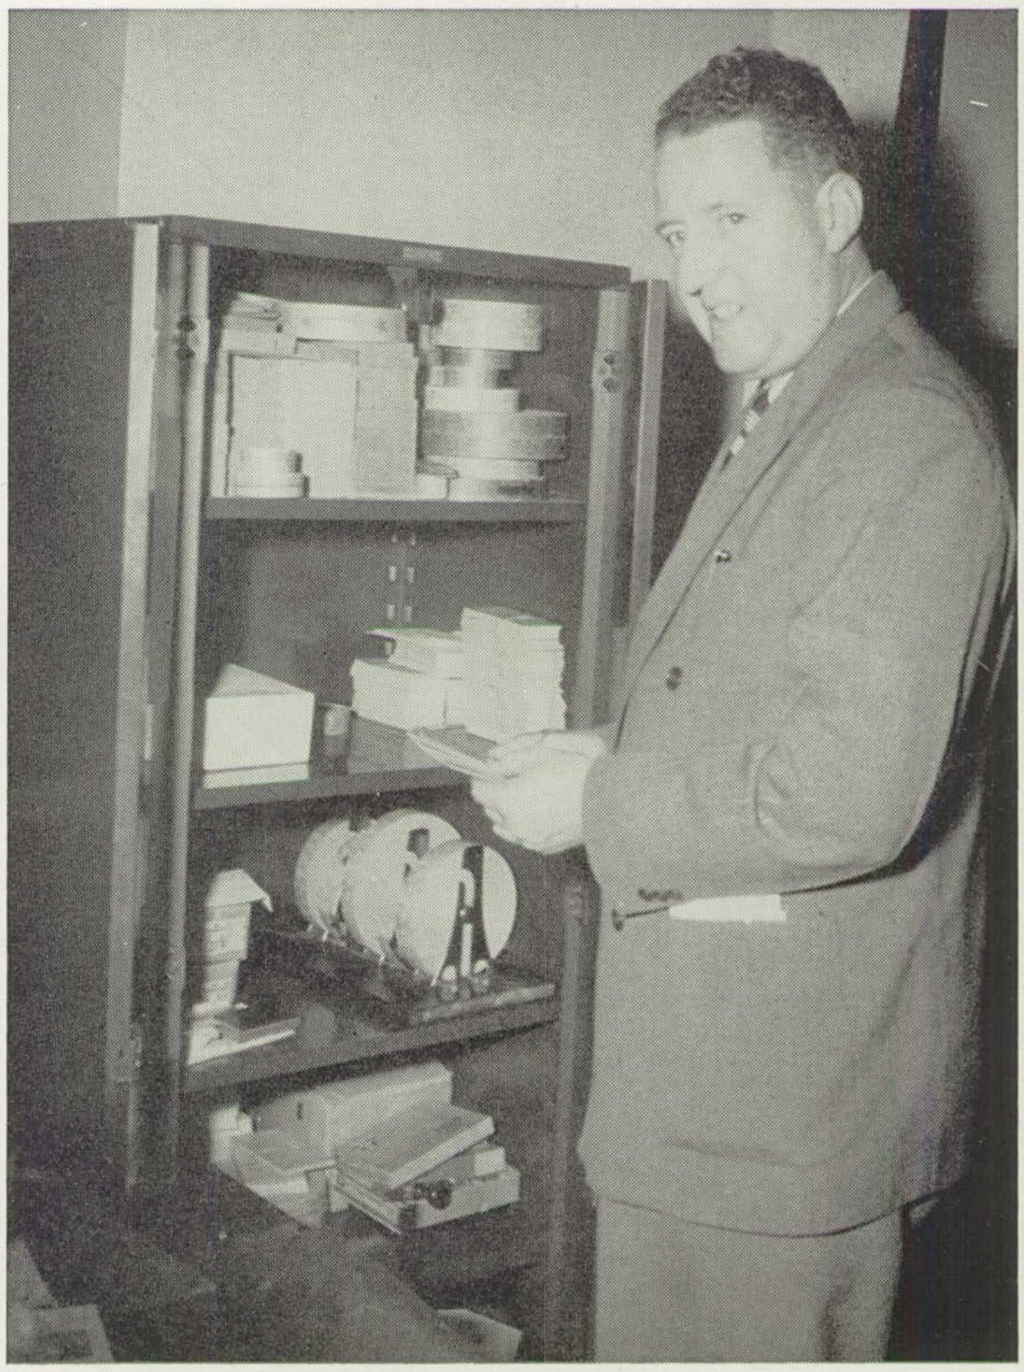
MR. GLOCK

Director of Athletics

Here is the man who is responsible for the fine schedules arranged for the Ken-Hi athletic teams. This is a tiring and sometimes discouraging job which is very ably handled by our Athletic Director. Mr. Glock is the person who is always pushing hard, hard enough to keep the athletic program improving each year.

Faculty Manager

Here is another of the hard working men who stays in the background when the honors are passed out. He is known as The Faculty Manager of Athletics. His job consists of many parts. The first is to take care of tickets for the games. He is also in charge of keeping the books balanced and making reports to the School Board of the Athletic Department's financial status.



MR. VORLAGE

Dear Debbie ——

Believe me when I say your "tops". You O.K. kid and I'm glad we are good friends. You are a real, real sweet friend who has done plenty of nice things for me. Thanks for the use of the glasses they helped. ——

Luck in everything always ——

Cheerleaders

I. Pollack, N. Noble, J. Hockenberry, J. Myers, M. McCabe.

The 1949-50 Cheerleader squad was made up of five members, three seniors and two juniors: Margaret McCabe, Irene Pollack, Jayne Hockenberry, Janet Myers, and Nancy Noble. These girls deserve the admiration and praise of the entire student body for their energetic cheering, both at the welcome pep rallies and at all the games, at home and away. In their snappy red skirts, white sweaters and caps to match, the squad introduced several new cheers throughout the season. Last summer the Cheerleaders spent a week with the Band at the Boosters Camp at Salisbury, where they put in long hours of hard practice learning new stunts and routines, how to work in unison and in co-ordination with the Band. Cheerleading calls for a lot of energy, enthusiasm, and good humor which must be transferred to the crowd. At the close of the football season they were guests of the School Board at a banquet given for the football team. During basketball season they kept up their reputation of being able to call forth rousing support for our teams. The Cheerleaders are under the sponsorship of Miss Pascaretta.

I ask you only
To forget this name not

Gary L Hoskins

P.S. Remember English class

Mr. Jefferson, Mr. Fletcher, Mr. Dunn, Mr. Slosky.

Mr. William Jefferson is the custodian of equipment and heads the managing department. His hard work is highlighted by the performance of his duties, as Ken-Hi teams are always well equipped.

Coach Don Fletcher, as head football coach, receives no admiration without deserving it. Mr. Fletcher is considered one of the finest football coaches in the state and has lived up to his reputation this year by developing an excellent team as the season progressed. Coach Fletcher is rated tops by his players, the students, and people of New Kensington.

Coach Al Dunn is a capable assistant to Mr. Fletcher in assembling a football team. Mr. Dunn is also a basketball Coach at Parnassus Junior High but his main interest is building a winning baseball team for Ken-Hi. Mr. Dunn makes Ken-Hi a feared opponent on the diamond.

Coach Ken Slosky is a likeable energetic mentor who, when he isn't directing varsity basketball, also helps put together a football team. One of his chief duties as assistant football coach is to scout the opponents. His good work in this field counts much toward winning.

Varsity Football

The varsity football squad, after losing practically all of last year's first team, made a very fine showing. Considerable tribute should be and has been paid to Coach Fletcher and his assistants—Mr. Jefferson, Mr. Dunn and Mr. Sloskey—who worked hard with the team. After starting slowly, the team gradually built itself up until they beat Vandergrift and Har-Brack to climax the season and thus become one of the valley's leading football powers. The final record for the "Red Raiders" was four wins, two ties, and two losses.

Varsity Basketball

Under the coaching of Mr. Slosky, the varsity basketball team displayed excellent training and sportsmanship in 1949-1950. Winning fourteen games while losing only six, the team reluctantly took second place behind Ford City in Section I. Win or lose, the boys had a steady backing by many loyal fans and school mates. The underclassmen regretfully said goodby to Hall, Timmins, and Crum, seniors on this year's squad, while looking forward to next year.

Mr. Veitch's jayvee squad furnished some excitement along with the varsity squad by completing a fair season with ten wins and nine losses. There should be some good varsity material for next year's team from this year's Jayvee squad.

We may well be proud of our teams for their good sportsmanship and loyalty. We are looking forward to the 1950-1951 season, but will scarcely find one so exciting as that just ended.

Ken Hi's baseball team, coached by Mr. Dunn of Parnassus Junior High School, had another successful season. With an excellent record of eight wins and two losses, the Kenmen reluctantly took second place behind Har-Brack, which incidentally was the only team in the circuit that beat them. Cross Country 1950

Although Coach Chegwidden's cross-country team has been at Ken Hi for only three years, they made a fine showing for the 1950 season. Their record of four wins and four defeats was the best season yet seen at Ken Hi for cross-country. They were victorious over Shadyside, Wilkinsburg, Brentwood, and Kittanning, while dropping meets to Connelsville, Mt. Lebanon, Central Catholic, Penn Township.
