Ruth Jauff

We, the members of the Class of 1952, as well as the other students of Ken Hi, wish to pay tribute to Mr. Edward H. Blackburn for his unselfish service rendered to the students and faculty of New Kensington Public Schools during the 31 years between 1904 and 1951 that he served on the Board of Education. Mr. Blackburn was a member of the Board of Education when the first high school building, the building that is now the Fourth Avenue Junior High, was erected in 1908. He was president of the Board of Education many times and acted as treasurer for a number of years. Seldom missing a meeting, he never voted for anything that would not be to the best advantage of the students and faculty. Active in church work, Mr. Blackburn has lived up to high moral standards all his life. Because of these qualities and his never ending interest in the school, we, the members of Class of 1952, dedicate our Taleoken to Mr. Edward H. Blackburn.

THE JUNIOR CLASS

OFFICERS

President	Frank Salvatore
Vice-President	Robert Revay
Secretary	Evelyn Alessio
Treasurer	Claude Fortson

The junior class officers have perhaps the most demanding jobs of any officers in school. They have not only the responsibility of promoting schemes for producing sufficient finances for the Junior-Senior Prom, but also to build up a fund to support the many senior year activities. Our leaders this year did a magnificent job carrying out these duties, and they are to be heartily congratulated by both the student body and the faculty for their fine work.

SPONSORS

Chief Sponsor	Mr. George Menk
Acting Treasurer	Mr. Thomas Burnett
In charge of Candy Sales	Miss Genevieve Olmer
In charge of Magazine Sales	Mrs. Ruth Griesemer

A sponsor's duty is to act as a guide and advisor in the various activities which are carried on by the class. A great deal of time and service was rendered by these sponsors for the difficult tasks with which we were confronted. We can readily attribute our success to their guidance during the year, for without them our goals could not have been so well achieved.

THE SOPHOMORE CLASS

OFFICERS

President Ronald Caputo
 Vice-President Harry Hill
 Secretary Neil Corbin
 Treasurer John Leja

The officers of the Sophomore class have a large responsibility. That is to make the sophomores "feel at home" in their new surroundings, and to encourage participation in assemblies or other class-sponsored functions. It is the duty of the officers to see that the sophomore activities are carried out successfully. The responsive attitude of the students to the requests of the officers has shown that our leaders have done a magnificent job of fulfilling their office.

SPONSORS

Miss Catherine Casillo Mr. Dale Apel Miss Catherine Hood

The sponsors' job is to give advice and to make any suggestions which enable our class to become initiated into the customs and traditions of Ken Hi more readily. They encourage us to take part in extra-curricular activities and are ready to help us answer any questions with which we are confronted. Without the splendid help of the sponsors, our first year at Ken Hi could not be so successful.

ACTIVITIES

The activities at Ken Hi are many and varied; thus every student should find an organization which pertains to his or her interests.

There are several opportunities for students interested in music. Under the leadership of Mr. Oliver Ken Hi has developed a fine Band. Few can equal our Majorettes. Our Chorus provides excellent vocal music for the school and community.

The Dramatic Club gives our future actors and actresses a chance to prove their ability.

We all owe a debt of gratitude to the Monitors, who keep order in the halls and the members of the Assembly Staff, who show our movies. We should also be grateful to the girls who help Miss Ewing in the library and Miss Boucher in her office.

Community service is the aim of several organizations, some of which are the Tri-Hi-Y, Hi-Y, and Key Club. Ken Hi was honored last spring when Fred Mooney was elected Governor of the Key Clubs in Pennsylvania.

Many students wish to continue their enjoyment of school subjects outside of class. Among the clubs which have been formed for this purpose are the Geography Club, German Club, Future Homemakers of America, Distributive Education Club, Commercial Club, and Science Club.

For our budding authors there are several excellent opportunities. Our school paper, the Kentonian is one of the finest in this district. Each spring a staff of sophomores and juniors work hard to prepare the Handbook. Every senior has the opportunity to volunteer to work on the Taleoken.

The only restriction placed on these organizations is that any social function or fund raising project must be approved by the Board of Activities. This group must also approve the organization of each new club.

Every Ken Hi student should enrich his school life by becoming an active member of at least one organization.

KENTONIAN

The journalism class under the supervision of Miss Russell publishes our school newspaper, the *Kentonian*. The student journalists strive to live up to the paper's motto, "Our school exactly as it goes." Each student is assigned a particular job such as news editor, feature editor, or sports editor. The *Kentonian* is filled with interesting stories containing news facts, sports, features and editorials. A staff meeting is held each Wednesday for outside members to see how the paper is planned. The *Kentonian* Staff of '52 can be proud of the "First Honor" rating received by the newspaper in the newspaper division of the High School Publication Institute of Critical Service held at the University of Pittsburgh. Hats off to Miss Russell, Carole Crawford, and Don Fester, editors of the *Kentonian*, and to the entire staff.

HANDBOOK

Upon their return to school in September 1951, Ken Hi students were again greeted by the familiar red covered Handbook. To the new student, this book was the clue to many mysteries. This small book explains procedures such as going to the library or getting a readmission blank. Here you will also find such information as the sports schedules, the book list, the courses of study, the list of clubs, and the school and social calendars. So essential does the administration consider this book that students are held responsible for reading the book and acting in accordance with the information therein. With Charles Fletcher as editor-in-chief, Miss Owen as sponsor, and the Board of Education as financier, this year's staff worked diligently to prepare this indispensable little book.

NATIONAL HONOR SOCIETY

The National Honor Society's members are chosen on the basis of scholarship, citizenship, leadership, and service. Members are chosen from a list of names submitted by faculty members. The senior section-room teachers, Mr. Weaver, Miss Boucher, and Miss Eiges make the final selections at the end of the first semester. The society represents about fifteen per cent of the senior class, but eight students are chosen during their junior year. Nine members were allowed to take the scholarship test of the National Honor Society. COLLEGE CLUB

This senior organization is under the capable supervision of Miss Eiges and Mr. Keiser. Through various scholastic, aptitude, and high school achievement tests, its members are able to choose a suitable course for the future. These tests are taken in 401 and help familiarize the students with long college examinations. College club members have access to college catalogues and other material concerning scholarships, special tests, and the like—all kept on file in the guidance office. Each year the College Club, in conjunction with the Board of Activities, sponsors a College—Career Conference. At this time, various representatives of colleges, business establishments, and industry talk with students and their parents. This conference helps not only the college bound student, but also the one who is entering the business world upon graduation.

KEY CLUB

Although it is not an actual part of Kiwanis, the Key Club is an international club sponsored by Kiwanians. The club was organized as a service club for the school and community and has been successfully accomplishing this objective under the sponsorship of Mr. Vorlage. Now in only its third full year of operation, the highest honor in the Pennsylvania District was bestowed upon the club when Fred Mooney was elected Governor of the 80 clubs in the Pennsylvania District. The international theme, "Honesty—the key to Security," is exactly what the boys try to promote. First semester officers were Marley Smith, president; James Davis, secretary; and John Fitzgerald, treasurer.

DEVOTIONS COMMITTEE

The Devotions Committee is a comparatively new organization at Ken Hi. It was organized in the fall of 1950 by a group of twelve students under the capable leadership of Mrs. Alice C. Klinke. The group presents a devotional program on the last Thursday of each month. They choose a theme, build a program around it, and then present it over the public address system. The program consists of the usual devotional exercises as well as a sermonette written by one of the members and poem or music by a soloist, the entire choir, or a group of singers. The members this year are Shirley Miller, Fred Adams, Jack Willard, Jean Talter, Paquita Harris, John Zilliac, Ronald Marr, Barney Matisko, Alice Thornton, Sue Fletcher, Bill Decker, and Dorothy Bowser.

SENIOR TRI-HI-Y

The Senior Tri-Hi-Y is one of the four Christian organizations of Ken Hi. It is a service club organized by the Y. M. C. A. to aid worthy causes throughout the community and to develop in its members high moral standards. Among the projects conducted to raise funds this year, the girls sold name cards and sponsored their annual Sock Dance. In addition, a Thanksgiving basket of food was prepared and sent to a needy family, and at Christmas, toys and food were sent to another family. A Mother-Daughter banquet is held at the conclusion of the school term. The club is under the capable guidance of Miss Daris Phillips.

JUNIOR TRI-HI-Y

The Junior Tri-Hi-Y, under the guidance of Miss Boucher, is another of the service organizations of our school. This group of junior girls extends to others the high standards of Christian character. Activities of the group include the impressive candle-light service, the candy-cookie sales during the noon hours, and a spring dance. Proceeds from such events are used to send senior girls to a summer conference and to do service work in the community. A joint radio program with the other Tri-Hi-Y groups, the Hi-Y Club, and the Key Club brought before the public the many service projects of these organizations. Great praise goes to these character builders.

SOPHOMORE TRI-HI-Y

The Sophomore Tri-Hi-Y, under the competent sponsorship of Miss Kay Hood, is one of the most active service groups in Ken High. Its members have outlined a definite program for the entire year calling for one executive and two business meetings each month. One business meeting is devoted to a service project, while the other usually features a speaker. This year's projects have included collecting books and magazines for the Aspinwall Veteran's Hospital, making favors for Thanksgiving dinner at the Citizens General Hospital, and adopting an orphan from the Westmoreland County Children's Home in Greensburg for Christmas.

HI-Y CLUB

The purpose of the Hi-Y organization is: "To create, maintain, and extend throughout the school and community high standards of Christian character." Our school chapter, with Mr. J. Dale Apel as advisor, is sponsored by the Y. M. C. A. The club carries out many projects during the year such as purchasing and trimming the annual Christmas tree located on the landing, and helping with the Red Cross Blood-Mobile when it comes to town. The boys unload the equipment used by doctors and nurses, thus performing a service to the community and the nation. The boys work hard to build greater fellowship among themselves and to make life-long friendships.

ASSEMBLY STAFF

Through the planning of Mr. Jefferson, the Assembly Staff brings another type of learning to classes by means of the projection of the latest educational movies. Teachers of various subjects choose films which contribute to making their classes more interesting. A definite schedule must be worked out for the films and also for the boys who show the films. The Staff has a membership of twenty-five to thirty boys. The boys are taught how to operate sound and silent projectors, the public address system for school assemblies, slide projectors, and wire recorders. The Staff also takes care of stage properties and floodlights.

In addition to this, they assist at fire drills and conduct students to their regular places at all school assemblies. Sponsored by Miss Pascaretta, the club is made up of six junior and six senior boys. New members are elected at the end of their sophomore year by the old members. Each senior boy receives a Monitor's pin at the end of the year as an award for the performance of his duties. The club's annual supper dance, the Monitor's Ball, is held each year before Thanksgiving.

BANK STAFF

Almost all financial transactions are handled through the Bank Staff. Organizations, classes, section rooms, students, and teachers are benefited by its services. The members of this staff are selected by the cashier, Mr. Lee Vorlage, while they are juniors. These commercial students are recommended by their teachers for their reliability and their ability to handle money of the school. It also sells cafeteria tickets, pencils, tablets, and candy. The latter is to secure money to buy new business machines for the business machine class. Mr. Vorlage teaches his staff to be exact and assists them in being efficient in handling the finances of our school.

ATTENDANCE STAFF

This honorary group deserves the greatest praise for the fine work it does in one of the most important jobs in the school. The girls give up their study halls to help in the dean's office. Their duties include making up each day from the section room lists an absentee chart, then checking attendance each period, and looking up telephone numbers. They must also keep track of those who have been excused and consult the files to check schedule cards of all students. Each year a member of the Staff is invited to the Board of Activities banquet with Miss Boucher. To them we give great praise.

RED CROSS COUNCIL

The Red Cross is an organization which gives students an opportunity to engage in charitable work. All sophomores, juniors, and seniors are eligible for membership in the senior club, but only two representatives, a boy and a girl, from each section are elected at the beginning of the year into the club. The club is under the supervision of Miss Mathison. Their activities consist of bi-monthly meetings, an annual radio program, and some very worthy projects such as knitting afghans for refugees, filling Christmas boxes, and providing dolls at Christmas for under-privileged children. In the fall, they conduct a drive for Red Cross members.

LIBRARY STAFF

The library, located on the third floor, is a very popular room at Ken Hi. It is opened six periods a day and anyone with a permit from a subject teacher may spend his study period there. About 5000 books are contained in the library. They are arranged so that the students can easily find what they wish. Besides reference books, we also find magazines, newspapers, and books for reading enjoyment. Several girls give up their study halls to help Miss Ewing with her work. You can see them stamping books, filing cards, and aiding in every way. The responsibility of keeping the library orderly and enjoyable is a big one, but Miss Ewing and her capable assistants do a fine job.

With the proceeds from this play, the club traveled to Pittsburgh to attend a production of "Peg O' My Heart" at the Pittsburgh Playhouse. At monthly meetings, various members entertain by presenting small plays and skits which are directed and produced by the members themselves. These plays are primarily for the purpose of earning points to obtain a Dramatic Club pin. JUNIOR TOWN MEETING

The Junior Town Meeting, sponsored by Miss Armstrong of Fourth Avenue Junior High, preserves the old American tradition of debate and develops in its members the ability to speak and express ideas. Debates are the principal entertainment at each of these meetings. The group also carries its discussions to outsiders. This year round tables and panel discussions were prepared and presented for the Fourth Avenue Junior High freshman class and the Fourth Avenue Civic Club. By doing this, the members of the club fulfill the two fold purpose of the club—to keep abreast of current events and at the same time develop their ability to debate.

ATHLETICS

MR. PFEIFFER, MR. GLOCK

DIRECTOR OF ATHLETICS

Ken Hi's Athletic Director is Mr. Glock. His keen interest and vast knowledge of sports gained through years of coaching and active participation has enabled him to perform nobly in directing our sports program. Much credit should be given him for his well-balanced athletic schedules and his determination to improve the athletic program.

TICKET MANAGER

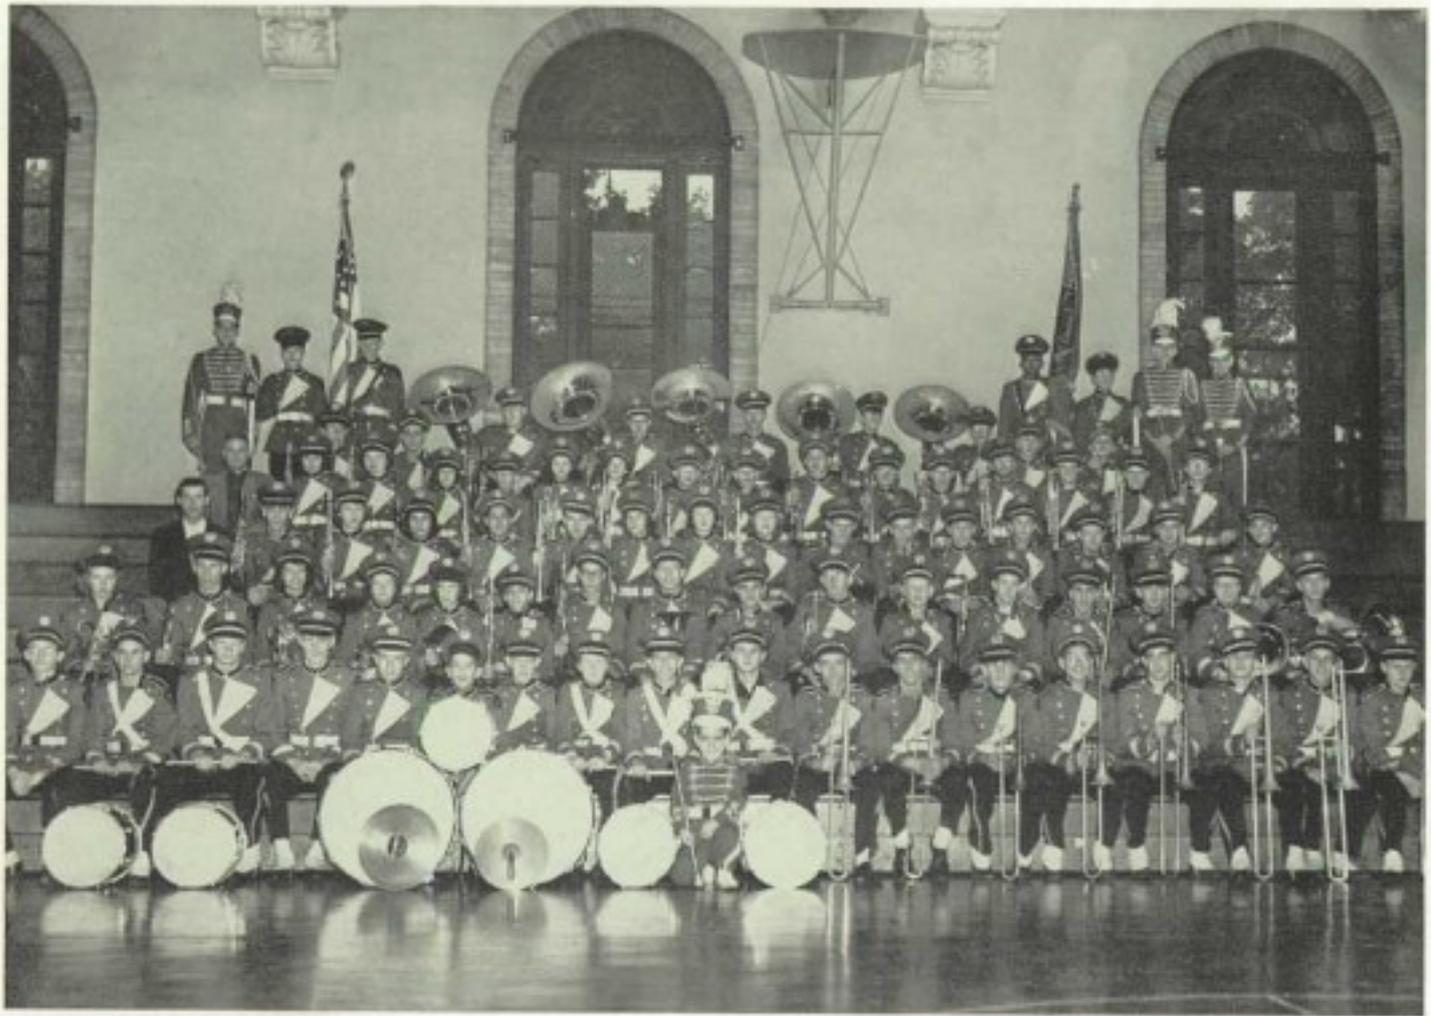

The job of selling tickets is one of the most important, yet difficult jobs in the Athletic Department. Mr. Pfeiffer has coped with many situations quite capably, however, and is to be commended for his fine work.

CHEERLEADERS

The 1951-52 Cheerleaders squad was made up of three seniors and two juniors: Louise Giordano, Beverly Pope, Barbara Reiter, Lois Young, and Maxine Brock. At the end of each school year, try-outs are announced and eliminations are held to determine the new members for the coming year. Each Cheerleader is awarded a large K at the end of the year. These girls deserve the support and admiration of the entire student body for their peppy cheering at pep rallies and all the games, football and basketball. Last summer they attended the Boosters Camp at Salisbury with the Band for one week. The girls put in long hours of hard practice composing new cheers and learning to cheer in unison. Each Cheerleader, dressed in her snappy red skirt and white sweater, must be able to transfer her pep and enthusiasm to the crowd. The girls are guests each year at the banquets given by the School Board for the football and basketball teams. A supper dance was held early in November by the squad of rah-rah girls. The Cheerleaders are under the sponsorship of Miss Pascaretta.

BAND

This year our Band has been one of the best ever to represent Ken Hi not only in their music harmony but also in their precise marching drills. Under the competent direction of Mr. Frank Oliver and his capable assistant, Mr. John Stephens, the Band and Majorettes spent another busy but very enjoyable week at the New Kensington Boosters Camp in Salisbury, Pennsylvania, working out their drills and routines. This year the Band performed at football games and basketball games giving the team encouragement and the fans pep and entertainment. They also participated in school assemblies, pep rallies, the Dispatch Band Festival, and numerous parades throughout the year.

Besides their practice at camp, they have one period a day for regular musical instruction. Presi-

dent, secretaries, librarian, and section leaders are chosen by the members themselves. After participating one year, a Band member receives his letter and, when he graduates, he will receive a white sweater. The organization is run on check mark system for cuts, talking, or being late. This year the Band is led by that high stepping drum major, Ralph Carrop, and is assisted by our famous mascot, Kenny Russell.

MAJORETTES

The high-stepping Majorettes is one of Ken III's most noted organizations. This will be the sixth year that they have worked in harmony with the Band to make the football and basketball games more thrilling and more colorful to the fans. Under the able leadership of Mr. Frank Oliver, the Band and Majorettes spent one week in the clean mountain air at the New Kensington Booster's Camp in Salisbury, Pennsylvania. Here they have a regular schedule set up for training and working out their routines for the coming season. After their strenuous practice in the hot sun they are well rewarded with time for recreation.

This year, to add to their snappy appearance, the corps received beautiful one piece red and white

uniforms trimmed in white braid with red hats and white plumes. Besides performing for the games, they also participated in the Dispatch Festival, the Spring Festival, the Band Concert, and several parades throughout the year. The twenty-five girls who will graduate from this group this year are Mildred Orris, head Majorette, Helga Spittka and Rose Howard, assistant head Majorettes, Irma Jean Bell, Janet Bryan, Grace Campbell, Martha Jane Easley, Marcella Fiscus, Edna Mae Leasure, Mary Lou Leibert, Theresa Marino, Pat McGivern, Jean O'Tremba, Kathleen Ross, Joan Rudawsky, Joan Rummell, Loretta Sexcinski, Joyce Shaw, Amelia Sicilia, Dolores Smith, Maxine Stanko, Dolores Sublinski, Alice Thornton, Irene Virostek, Wilma Warriner.

COACHES

Mr. Jefferson, Mr. Slosky, Mr. Fletcher, Mr. Dunn

FOOTBALL COACH

Head Football Coach Don Fletcher enjoys a state-wide reputation for his ability to produce winning teams. Two WPIAL championships at Ken Hi are a tribute to his ability.

BASKETBALL COACH

Mr. Slosky coaches Ken Hi's fine basketball teams. The 1951-52 season has been a very successful one, our team losing only two league games, both of them to Ford City. In addition to this, he is JV football coach and driving instructor.

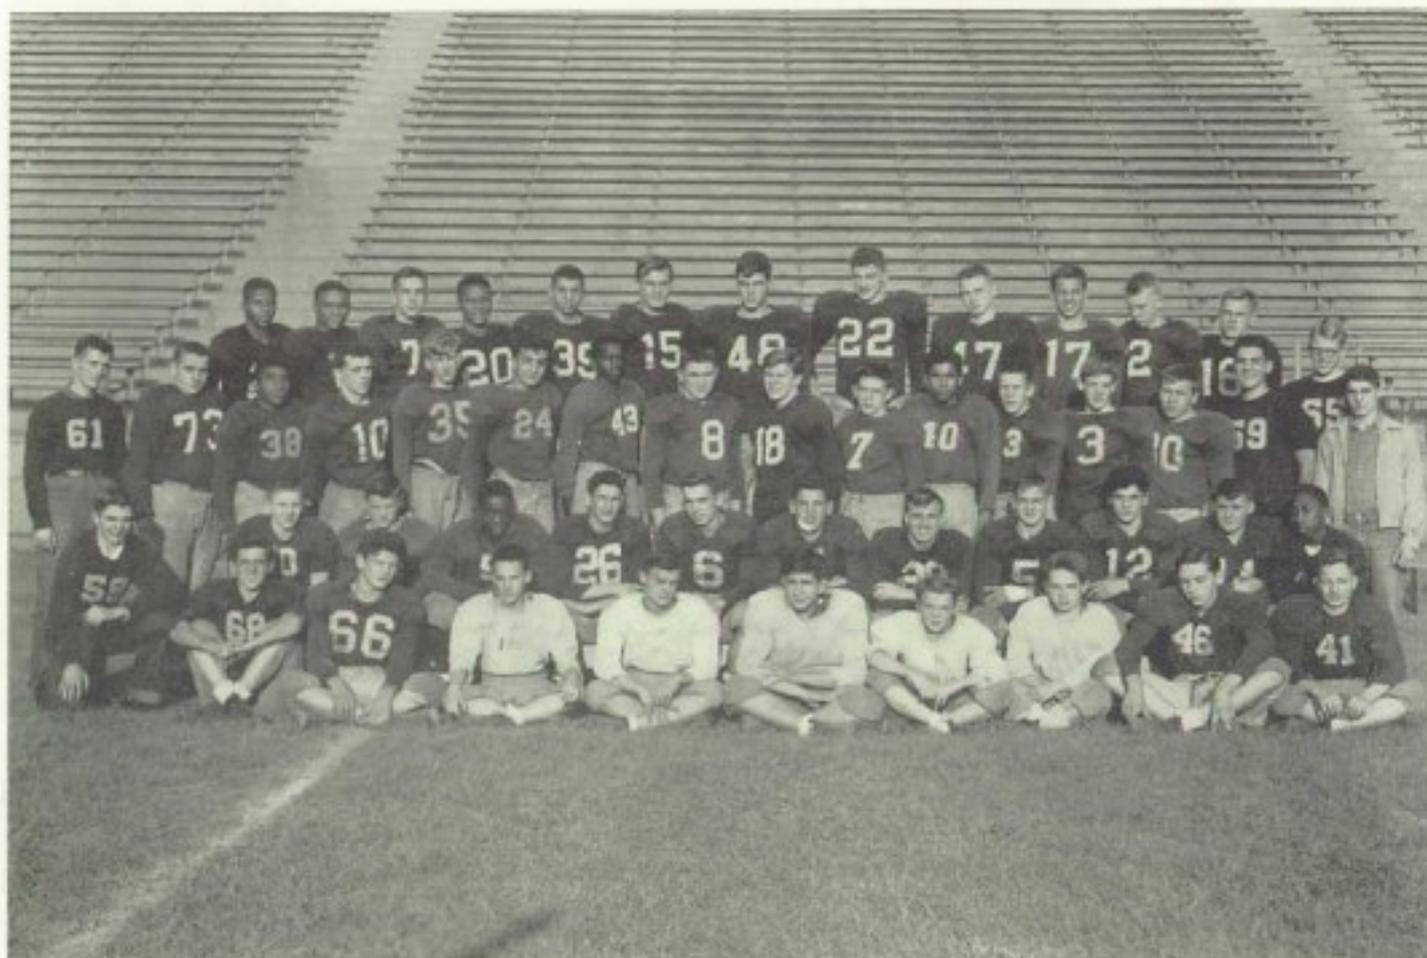

BASEBALL COACH

Mr. Dunn is Ken Hi's baseball coach. His fine teams have ranked high in league play year after year, and have earned him the nickname of "Mr. Baseball." He is also assistant football coach and basketball coach at Parnassus Junior High.

EQUIPMENT MANAGER

Mr. Jefferson has the never-ending job of equipment manager, and has charge of all student managers. His fine work is displayed in Ken Hi's well-equipped athletic teams.

FOOTBALL

The football squad showed fine sportsmanship and teamwork against a tough schedule. With a record of four wins and five losses, the "Red Raiders" played each game with determination right up to the final whistle. Head Coach Don Fletcher, with his assistants, Mr. Dunn and Mr. Slosky, whipped the team into fine shape, both physically and mentally. The boys, too, deserve credit for the long hours of practice they spent preparing themselves for each game. One of the season's highlights was the Erie-Tech game, played at Erie, in which the Raiders won a high-scoring thriller, 27-25.

VARSITY BASKETBALL

Coached by Mr. Slosky, the varsity basketball squad displayed excellent training and sportsmanship in 1951-1952. After placing second in Section I competition, the team copped first place in the Allegheny-Kiski Valley Basketball tournament for the second straight year. The boys received steady support from their classmates and the many loyal fans. The seniors who graduate—Fields, Long, Magee, Rapp, Broffman, and Tyburski—will be missed when next season arrives.

JUNIOR VARSITY BASKETBALL

Coached by Mr. Veitch, the jayvee squad provided additional excitement in the varsity games. Winning most of their games, they accomplished their principal goal of developing talent for the varsity. These boys exhibited fine sportsmanship and played a brand of basketball which had thrills galore. The teams certainly deserved the support and interest which they received from the student body and the many adult fans.

TRACK 1951

The 1951 track team, coached by Mr. Chegwidden, participated in seven track meets, two of which were wins over Jeannette and Turtle Creek, on triangular meet, and the Westmoreland County meet at Jeannette. A quartet of Kensters—Tom Reiter, John Greco, Harry Spak, and Bill Venter, qualified for the W. P. I. A. L. meet at Canonsburg. A variety of talent was developed on the team and should prove helpful in future campaigns.

CROSS COUNTRY 1951

Although the 1951 Ken Hi cross-country team had a poor season considering their four losses to Central Catholic, Brentwood, Mt. Lebanon, and Latrobe, as against no victories, they achieved success in their own way. In the absence of Mr. Chegwidden, these boys overcame the dim prospect of the abolishing of a cross-country team by training themselves without the aid of a coach. Much credit should also be given to Mr. Meighen, who worked with the boys as faculty advisor. The outstanding event of the season was the establishment of a new Ken Hi course record by Lenny Polczynski.

TENNIS

Despite its record of three wins and seven losses, Ken Hi's tennis team had a fine season. Coached by Mr. Vorlage, the team was good enough to reach the finals in their section, only to be defeated by Arnold in the play-off. The boys deserve credit for their fine participation in a little known sport.

TO WORK AT MURPHY'S

My name is Betty and I have a story which I think will interest many of you. It's about *my* experience in the retailing field. Believe me, Variety Store business is fast-moving and interesting. Each counter is a store in itself.

Here at Murphy's one learns retailing from the bottom up! I started out as an extra salesgirl, working every day after school. When I was graduated, I was fortunate to be placed in charge of a counter. I never knew how really interesting this work could be . . . it's just like having a shop of my own.

I'm growing here, taking more responsibility as I go. There's still more room for advancement . . . I can work myself into a position of merchandise buyer, section supervisor or bookkeeper in the office. Soon I hope to be selected to train for the job of Personnel Directress in a large new Murphy Store.

All of us at Murphy's have an equal chance to better ourselves. From what I can see Murphy's is tops in training . . . and there isn't a store in town to beat Murphy's on Employee benefits!

If you're ambitious to make a "go" of retailing, join the "Gang" at Murphy's as soon as you can.
