FOREWORD

The magic of television has brought personalities, special events, and sports into your home. Via television over the coaxial cable, the Class of 1956 of New Kensington High School proudly presents the Ken High Spectacular. This is the story of your school in four acts; starring the faculty and you, the students. The scenes are the classrooms and corridors of Ken High; the time, the school year of 1955 and 1956. So, sit back in your easy chairs while the camera focuses on Act I, the School Board and Faculty, which comprise the governing body of our school. The camera swings to our Second Act, which consists of three scenes; the ethereal minded seniors, penny pinching juniors, and wide eyed sophomores. Don't turn your dial for now comes the enjoyable part of the program, the Clubs, of all varieties to suit every student's taste. The final Act brings you the thrill of that 80 yard run to the goal line and the basket made from the middle of the gym. We hope you will enjoy the program and another amazing feature of this Ken High Spectacular is that all commercials come at the end.

To Al, to
a nice kid, to
bad enough time
you called me, nothing
ever come of it.
Call me some time again.

MR. J. A. MILLER

Discussing a milling machine, Mr. Miller points out a special feature to Mr. Frazier, Mr. Mason, Mr. Nalbach, and Mr. Pandolph.

DEDICATION

We, the graduating class of 1956 and all other past and present members of New Kensington Senior High School, wish to pay tribute to Mr. J. A. Miller for the tireless and unselfish service he has rendered to the student body and faculty between the years 1916 and 1956. Mr. Miller, assistant principal of the High School and director of the Vocational School, has long served as president of the Board of Activities. Despite the great amount of time required by his many duties, he has always aided, counseled, and remained a friend of the entire student body. Because of his high moral standards, Mr. Miller has always set a fine example for others to follow. His leadership and service will be greatly missed following his retirement at the end of this term. It is with justifiable pride that we, the members of the Class of 1956, dedicate our TALEOKEN to Mr. J. A. Miller.

This set is tuned in to the Ken High roving camera program. First we see the voice which brings Ken High the daily news. Then we see boys receiving advice from one of our guidance counselors. Next we see our nurse who is in

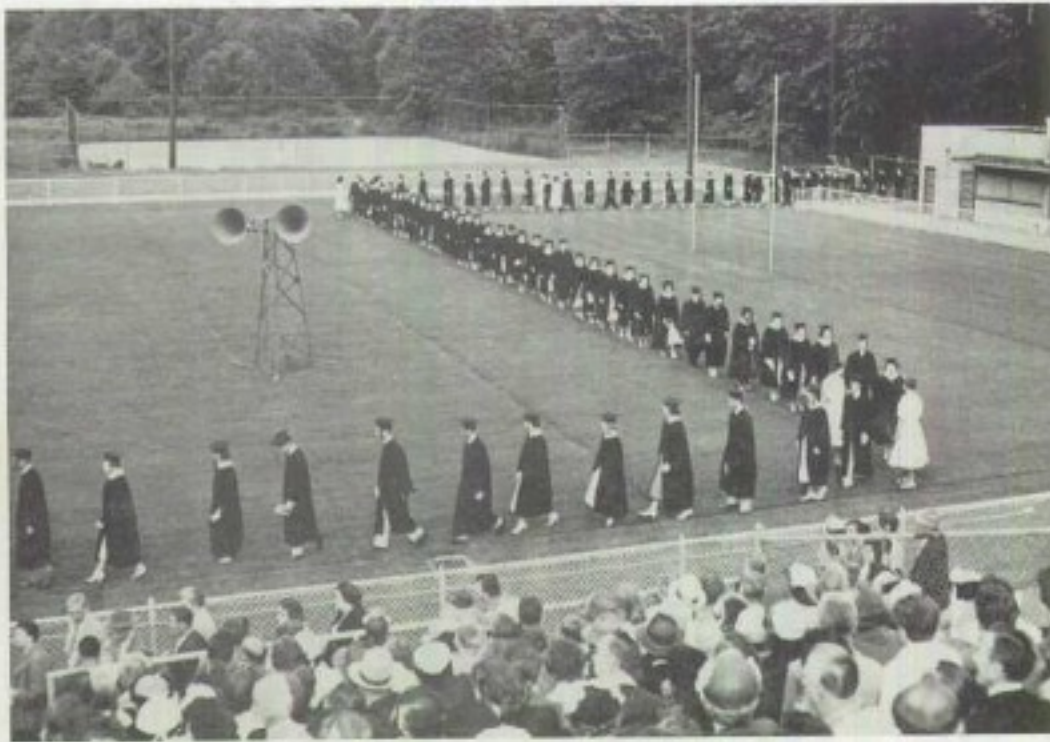

charge of our health. A scene from one of our many dances flashes on the screen. A number of industrious students are next on the screen. It's quite an interesting program isn't it? The Gross twins demonstrate a geometry problem.

The TV cameraman again took a quick swing around Ken Hi and picked up some boys working with a movie projector, some girls making new outfits, some D.E. students using the cash

register, some others looking at a poster. Later he was caught in the crowded halls and at a pep rally where he was so rallied he decided to attend the game.

Seniors begin the processional into the stadium for graduation.

Senior Class of 1956

The year of 1956 has proven to be one of the busiest on record. Starting in early August we took out our best suits and dresses and got ready to have our pictures taken. Then as school time rolled around, we found ourselves scrambling to order our class rings, name cards, and announcements. After that came a number of tests, including Betty Crocker, College Board Exams, and many scholarship tests. As soon as test clouds drifted over, we found ourselves being entertained by senior talent, a poet, and a counterespionage agent. Following this came the announcement of National Honor Society awards and the class prophecy. This was followed by the Senior Class play, "Time Out for Ginger", election of queen for the All-Star Game and the election of king and queen for the Shamrock Ball. Finally came the long awaited events—the Senior Private, the Junior-Senior Prom, and the issuing of Taleokens. As we go to press, Baccalaureate and Commencement are just around the corner.

Miss Bruno directs the Choir as Phyllis Bogany announces the Christmas' program.

Junior Class of 1956

The activities of the Junior Class are many and varied and increase as the year goes on. Although the Junior-Senior Prom is responsible for most of the work of the class there are other functions that have to be taken care of also. These functions include assemblies, bookkeeping, and social responsibilities. But the three main functions of the Junior Class are the candy sale, the magazine sale, and the Junior-Senior Prom. Work on the candy sale begins in September and continues until Christmas. The work of this campaign is done by the junior girls who sell candy until a goal of about \$2,000 is reached. This sale raises about one-half of the money needed by the class. The second money raising campaign of the Junior Class is the magazine sale that begins in mid October. This sale lasts for four weeks and it raises the other half of the money needed for the class to function. After the sales are over and a fine orchestra for the Prom is picked, the work of putting together a Prom begins. This lasts for three months. Then on the final two days before the Prom all the decorating of the gym is completed and the work of the Junior Class is over. These three activities of the class are only the main ones but they keep the class working most of the year.

"Otto," the toy mascot, looked over the progress of the magazine campaign, while daily high salesmen received encouragement from Alan Patz.

Our television camera picked up some students laboring at plane geometry problems; Dick, Jim, Rol, and Mr. Provost preparing the thought-provoking speech on the power of one vote; Mr. Oliver dictating a letter to Miss Milauskas; future secretaries taking dictation from Mrs. Vorlage; Mary Jane, Marie, and Kathy looking at their prize winning floral decorations; and Miss Patterson and Miss Walker patrolling the corridors during the fifth period. Our cameraman was right on the spot when two presidential hopefuls, John Searight and Lee Porzeczanski, discussed plans for their campaigns; when Molly, Pat, Susan, Virginia, Rose Marie, and Pat posed for publicity pictures for the College-Career Conference; and when the Board of Activities held its annual banquet.

Sophomore Class of 1956

The Sophomore Class began their first year at Ken Hi with an orientation program on the first afternoon of school. Mr. Miller presided and presented Mr. Oliver and other special teachers to the sophomores. This program was followed by a tour of the building. A later assembly acquainted the sophomores with clubs and other organizations. Then came individual interviews with the guidance counselors, Miss Eiges and Mr. Keiser, concerning future plans and courses of study. The sophomores then turned their attention to raising money for the Sophomore Hop, by selling candy on four successive Fridays. Some of the more talented sophomores entertained at the sophomore assemblies. The year was not all play, however, as the sophomores were required to take an I.Q. and a preference test. As the school year came to a close a few sophomores got a peek-in at the Junior-Senior Prom as special aides.

1955 Junior-Senior Prom

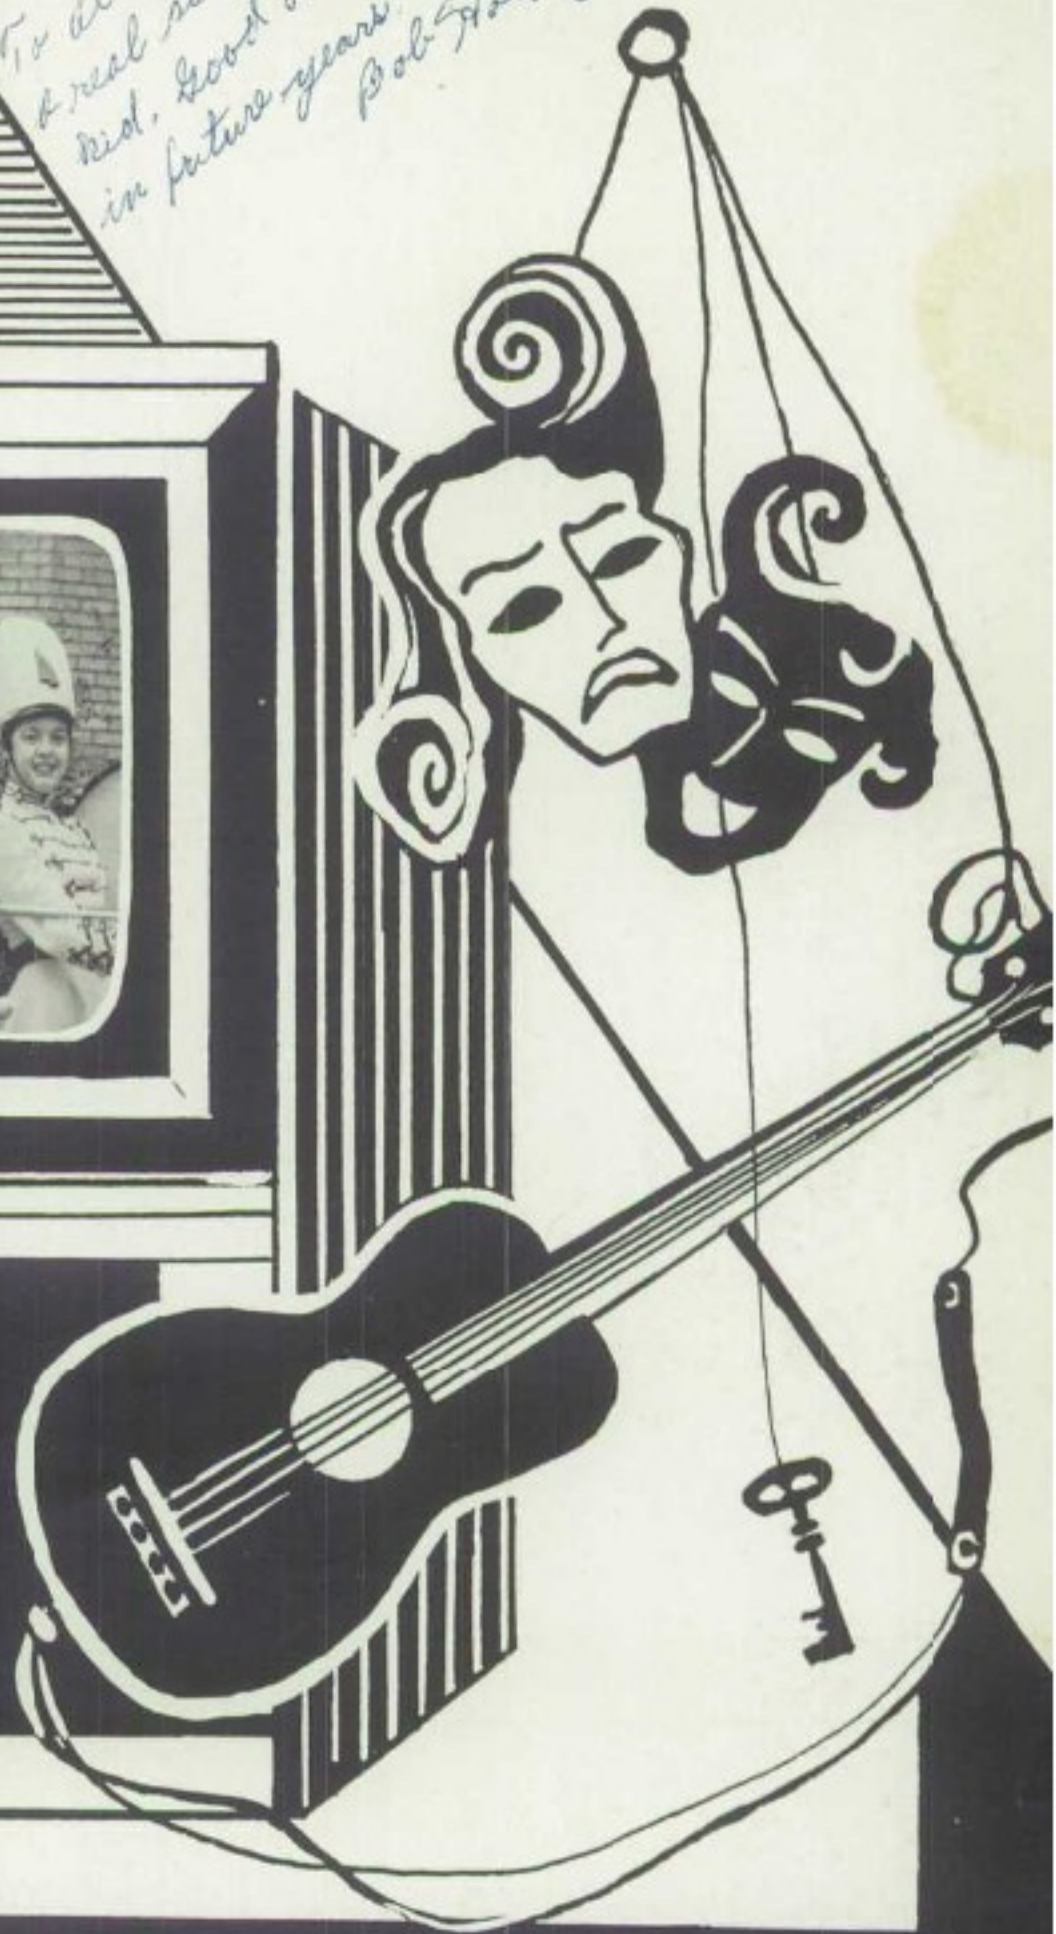

Prom couples were all smiles as they posed for the cameraman. Ann and Rol were snapped coming in. Those long lines on the dance floor were part of the "bunny hop." Members of the class of '56 posed in front of the pillars while others watched the proceedings from their seats. Judy Bailey and Ronnie Slifka, Barbara Parkhill and Tom Miller admire the elaborate decorations.

Board of Activities

Membership on the Board of Activities is an honor for any student. Students are elected by their classmates for periods of one or three years. These, with four faculty members and a secretary, constitute the board. The chief duty of the Board of Activities is to regulate the extra-curricular activities in the high school. These include approving organization of new clubs, securing sponsors, arranging exchange assemblies, and other school assemblies, and sponsoring dances after basketball games. Eagerly anticipated each year is the Board of Activities banquet attended by a student representative and faculty sponsor of each organization.

Mr. Miller was explaining the year's plans to Board of Activities members at an organization meeting.

James Lagoon, Bruce Shaw, and Molly Fletcher were kept busy counting ballots for the class elections.

SENIOR TRI-HI-Y

The Senior Tri-Hi-Y, under the guidance of Mrs. Terwilliger, is an active service club sponsored by the local Y.M.C.A. The club has met several times in the new "Y" building with use of its facilities. A car wash was conducted and name cards and Christmas cards were sold to raise funds for their major project, Suzanne Swerts of Belgium, whom the club adopted this year through the Foster Parents Plan for War Children, Inc. The Senior Tri-Hi-Y is open to all senior girls.

DRAMATIC CLUB

The Dramatic Club, under the direction of Mrs. Alice Klinke, is composed of juniors and seniors interested in amateur theatrical work. This year the club presented the very difficult "Our Town," a play which is well-known to members of the junior and senior classes. As the actors did a superb job, the club was highly commended for its work. Once a month the members meet during an activity period to plan their many activities. This year the club made trips to see several enjoyable dramatic presentations.

The roving cameraman visited the Majorettes at the stadium and then went to the high school.

As usual the fountain was jammed between classes, but the students in the library and classes were working diligently.

BAND

Ken High's Band is quite an important part of the high school life. They are seen at every football and basketball game. The Band also marches for many parades. Every summer, the Band and Majorettes spend a week at the Booster's Camp near Salisbury, Pa. Here new music and drills are perfected to present at the coming football games. Annually, the Ken High concert Band joins with four other Valley bands to present a concert. This year Carol Knapp, James Haddad, and James Lagoon represented Ken High at the district band group. Evelyn Elder and Louis Durburow attended district orchestra. We also can be proud that James Lagoon was chosen to attend state band which is quite an honor. This organization is governed by the check mark system as are the Majorettes and Choir.

MAJORETTES

The Ken High Majorette Corps, a very active and popular school organization has been a welcome addition to the High School Band for ten years. The Corps is under the direction of Mr. John Stephens and consists of forty-four girls who train with the Band at Salisbury, Pennsylvania, to prepare their eye - appealing, tricky dance routines and drills for the coming season. The "Rockettes," applauded wherever they perform, are led by head majorette, Katherine Patterson. Her assistants are Peggy Heise, Judy Bailey, and Myrna Carrop. This organization through its tireless efforts and hard work has gained renown as the finest high school majorette corps in the valley.

Along with their able sponsor Miss Catherine Hood, they are invited to attend the football and basketball banquets. At the conclusion of the season each girl is awarded a letter which is a large "K" placed on a megaphone. They receive our commendation for their hard work.

Swinging around the corner, the television camera spied a group of boys advertising the German Club dance, several choir members practicing their Trepak Dance, the rush in the halls between classes and an art class working faithfully at its tasks.

Varsity Football 1955

Facing one of their toughest schedules in history the Ken High Red Raiders compiled a record of 3 wins and 6 losses this year. Although they lacked the size and experience necessary for rough Class AA competition, the sophomore studded varsity showed great promise for next season. The coveted Renaldo Kozikowski trophy was won by lineman, Donald Camp.

FOOTBALL COACHES

Mr. Primozic, a newcomer to Ken Hi's coaching staff, helps Mr. Fletcher develop the linemen.

Mr. Slosky trains the boys to become hard hitting, quick thinking backs.

Mr. Fletcher, the head coach, develops Ken Hi's stalwart forward wall. This is Mr. Fletcher's seventeenth year of coaching at Ken Hi, during which time he won the W.P.I.A.L. championships in 1946 and 1947.

Mr. Marshall coaches the junior varsity team and is responsible for scouting Ken Hi's opponents.

Varsity Basketball

This year our basketball team had a very successful season. They regained the Section I title that they lost to Ford City last year and completed the regular season with 19 wins and 3 losses. Although they lost to Carnegie in the opening round of the W.P.I.A.L. playoffs, we can be very proud of the excellent play and fine sportsmanship they showed throughout the season. Another highlight of the season was the breaking of the individual season scoring mark by Rodger Brooks.

Mr. Slosky, Ken High's head coach, led his cagers to a very successful season. This year the team won the W.P.I.A.L. Section I title.

Denny snags a rebound as Rodger gets ready to lend assistance.

TO WORK AT MURPHY'S

My name is Betty and I have a story which I think will interest many of you. It's about *my* experience in the retailing field. Believe me, Variety Store business is fast-moving and interesting. Each counter is a store in itself.

Here at Murphy's one learns retailing from the bottom up! I started out as an extra salesgirl, working every day after school. When I was graduated, I was fortunate to be placed in charge of a counter. I never knew how really interesting this work could be . . . it's just like having a shop of my own.

I'm growing here, taking more responsibility as I go. There's still more room for advancement . . . I can work myself into a position of merchandise buyer, section supervisor or bookkeeper in the office. Soon I hope to be selected to train for the job of Personnel Directress in a large new Murphy Store.

All of us at Murphy's have an equal chance to better ourselves. From what I can see Murphy's is tops in training . . . and there isn't a store in town to beat Murphy's on Employee benefits!

If you're ambitious to make a "go" of retailing, join the "Gang" at Murphy's soon as you can.
