Joanne;

To a real goofy kid with a nice personality.
But - really hate you this summer &
& hope you and some of my classes
so we can raise hell together.

Love, Mary Lou

Joanne,

to the rottenest girl at
Valley I'll ever know and
will make sure never to forget.
Not once this year since I
met you did you take off that
smelly blue jacket - ha!

Jo,
Thank you
for all the help
you gave me in
English. Try to stay
even as mean as
that F. I mean as
good luck keep
year and I'll
hope for you that
you get Mr. Hall, your
favorite teacher.

WE'VE ONLY JUST BEGUN

*We've Only Just Begun to live,
White lace and promises
A kiss for luck and we're on our way.
Before the rising sun we fly
So many roads to choose
We start out walking and learn to run
And yes, we've just begun.
Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day
Together.
And when the evening comes we smile,
So much of life ahead
We'll find a place where there's room to grow,
We've Only Just Begun.

Like A Child

Like a child I just sat in the sunlight
and played with the minutes as they went running by.
Like a child who had never known sorrow
I didn't hurry tomorrow I just looked at the sky.
While the clouds went on endlessly passing.
All the clouds on their long voyage home
seemed to say that youth is everlasting
but a rose cannot grow alone.

Like a child I would listen in silence
to the soft sound of evening as it caught up the day,
till you were there in the gathering darkness
and we found that our green years had all gone away.
Now the clouds are going forever
here awhile then gone forevermore
and a child on the far side of never
has to run when time closes the door.

Then take my hand and as children we'll go now
all alone through the thundering crowds.
Take my hand and together we'll look now
like a child for the little lost clouds.

Rod McKuen

A new school year brings a new Superintendent. We, the students of Valley High School welcome Dr. Sluser. He too has "only just begun"

afs
student

The American Field Service has been sending Students from other countries to Valley High School since 1952. This year we are honored to have Lars Peter Tolstrup from Denmark. Lars visit has been a warm and friendly experience to all that have come to know him

They've got those study hall blues.

This is an announcement—No lovemaking in the halls.

The Blossom of Youth.

Aawwwwww

You want it? You can have it.

Mr. David Stuckley

Now that the summer's come and gone I'll say good-bye.
Now that the winter's comin' on I'll say good-bye.
I'm not the first man or the last
who had a thirst to leave the past.
So while the autumn rain is falling I'll say good-bye.

For every star that falls to earth a new one glows.
For every dream that fades away a new one grows.
When things are not what they would seem
you must keep following your dream.
So while my heart is still believing I'll say good-bye . . .

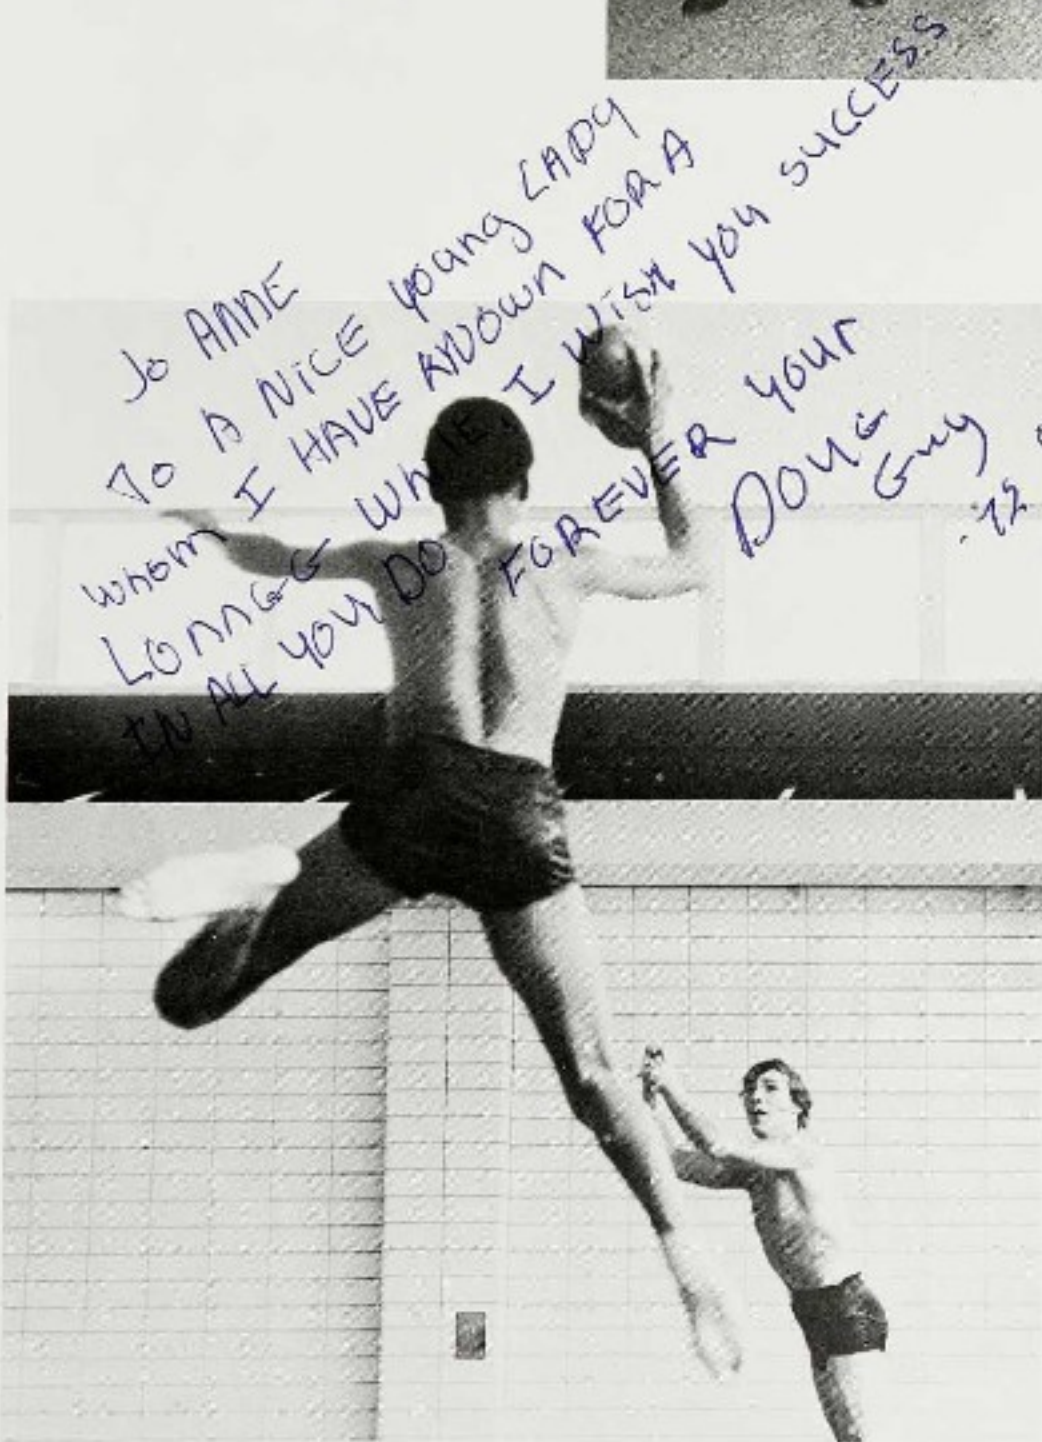

From I'LL SAY GOOD-BYE
Rod McKuen
